MR. JOHN STEWART

Dedication

When Pasadena High School was re-established in 1954, one of the original teachers, and an alumnus of PHS, was John M. Stewart. During his years here he has been known as a dynamic instructor and has taken an enthusiastic and energetic part in Bulldog events.

Among his other activities he has been a most active baseball rooter; a vigorous developer of high school curriculum; and has found time to sponsor four organizations, best known of which is the Key Club. In the field of drama he wrote the 1958 Christmas play and supervised production of "Onions in the Stew" and "John Turner Davis."

A dedicated classroom teacher, he is known for his forceful and fascinating presentation of material. Not limiting himself strictly to curricular activities, he keeps students informed of cultural opportunities in the area, and often secures blocks of tickets for them. Interested and helpful in student projects and papers, each year he places a number of his own books on reserve in the library.

To John M. Stewart, then, a student activities booster and outstanding classroom teacher, the Campus staff dedicates its work.

Tana;

Prologue

Nineteen hundred and sixty-two will be long remembered by citizens of Pasadena. It marked the completion of these buildings, was the end of a four-year building program, and was a climax of 71 years of growth.

In those 71 years Pasadena High School went through many stages of development and outgrew three campuses. The first was located on the corner of Marengo and Walnut, the second on Walnut between Los Robles and Euclid. The size of enrollment had grown from 91 in 1891 to 907. A site was purchased for a new high school on East Colorado Boulevard. Although some complained that it was "so far out in the country," the cornerstone was laid on June 8, 1912, and construction was begun on the best high school plant available on the Pacific coast.

In 1924 Pasadena High School underwent another change; this time it became Pasadena Junior College. It wasn't until 1954 that it again became Pasadena High School and Mrs. Gladiss Edwards was named principal.

As in the past PHS continued to grow, and in 1954 bonds were passed for a new building program. In 1958 ground-breaking ceremonies were held, and the finest high school plant in the country was constructed.

While PHS was growing in size, it was also growing in merit. The superiority of PHS has not gone unnoticed. In 1891, the first year of its existence, both Stanford and the University of California listed it as an accredited school. In 1899 it was listed number four on the accredited list of 91 schools by the state university, and in 1922 it was given the highest ranking of 102 California high schools. In the most recent accreditation, we were given a five-year accreditation instead of the usual three.

This merit was due largely to the fine leaders who dedicated their talents to make Pasadena High School great. Two qualities of our outstanding leadership stand above the others: Our leaders have been people with foresight, dedicated to excellence in education, and they have had the open minds necessary to meet the challenges of change.

Jane

I hope you have many nice years to come You are a very nice sister and you have a

A new campus . . .

Traditions play a large role in the life at Pasadena High School. While some are annual events like Homecoming and the Turkey Tussle, Girls' League fashion show, and the car show, others are continuous traditions like our Bulldog mascot and Red and White. There are still other traditions which are intangible and are not directly expressed. Our enthusiasm, school spirit and good sportsmanship (unequalled in the Foothill League), our academic excellence, and the atmosphere of maturity and dignity coupled with a dynamic spirit are our unspoken traditions.

These traditions have not just come to be; they have developed over many years. To our new campus, itself representative of the simplicity, dignity, and beauty present in our school, we have moved these traditions. Like all classes we have planted the seeds for establishing new traditions, but we have also passed on our rich heritage to those who are to follow.

LEADERSHIP

Yes they dedicated, they are dedicating and the leadership of the Pasadena City Schools will continue to dedicate its resources and talents to achieving excellence in education. The fine record compiled by PHS did not just happen, but was the result of the hard but willing labor of a capable staff. The leadership that these people gave was often "behind the scenes," in jobs that went unnoticed and unappreciated, but the results of their efforts influenced everyone. They worked to keep our plant running smoothly, to refine and improve our curricular and extra-curricular programs, and to guide and assist Bulldogs in preparing for the future. To this team of leaders, we here pay tribute.

Traditions of Pasadena High School are priceless treasures. Traditions spell out for all Bulldogs the ingredients of greatness—determination, unity, spirit, and a dedication to excel in every educational undertaking. In our wonderful new plant, the Class of 1962 has continued to stress these values. Our modern buildings and complete facilities have presented all of us with a demanding challenge, not only to match the triumphs of our illustrious alumni, but ever to forge ahead, above and beyond. Our appreciation goes to every student who has contributed his best to make our new school home the proudest institution in the west. In a farewell salute of gratefulness to the Class of 1962, we, the faculty, wish for each of you an objective worth reaching and the fortitude to achieve your goal.

Directly and indirectly, these capable persons influenced the academic and social lives of PHS'ers.

Seniors dsicovered early in the year that in addition to the material on the Senior Bulletin Board regarding colleges and scholarships, Mr. Arthur Dittberner was a personal source of information and guidance. Friendly and helpful, Mr. Dittberner gave many students valuable assistance and advice.

In charge of curriculum and PHS business, Mr. Charles Eckels had a less direct but equally dynamic effect upon students. Organization of the special driver education program was but one of his many contributions.

The office of Dr. Una Wickes, in charge of student activities, was a veritable hive of activity. Under her guidance, both the seventh period program and student government functioned with flying colors.

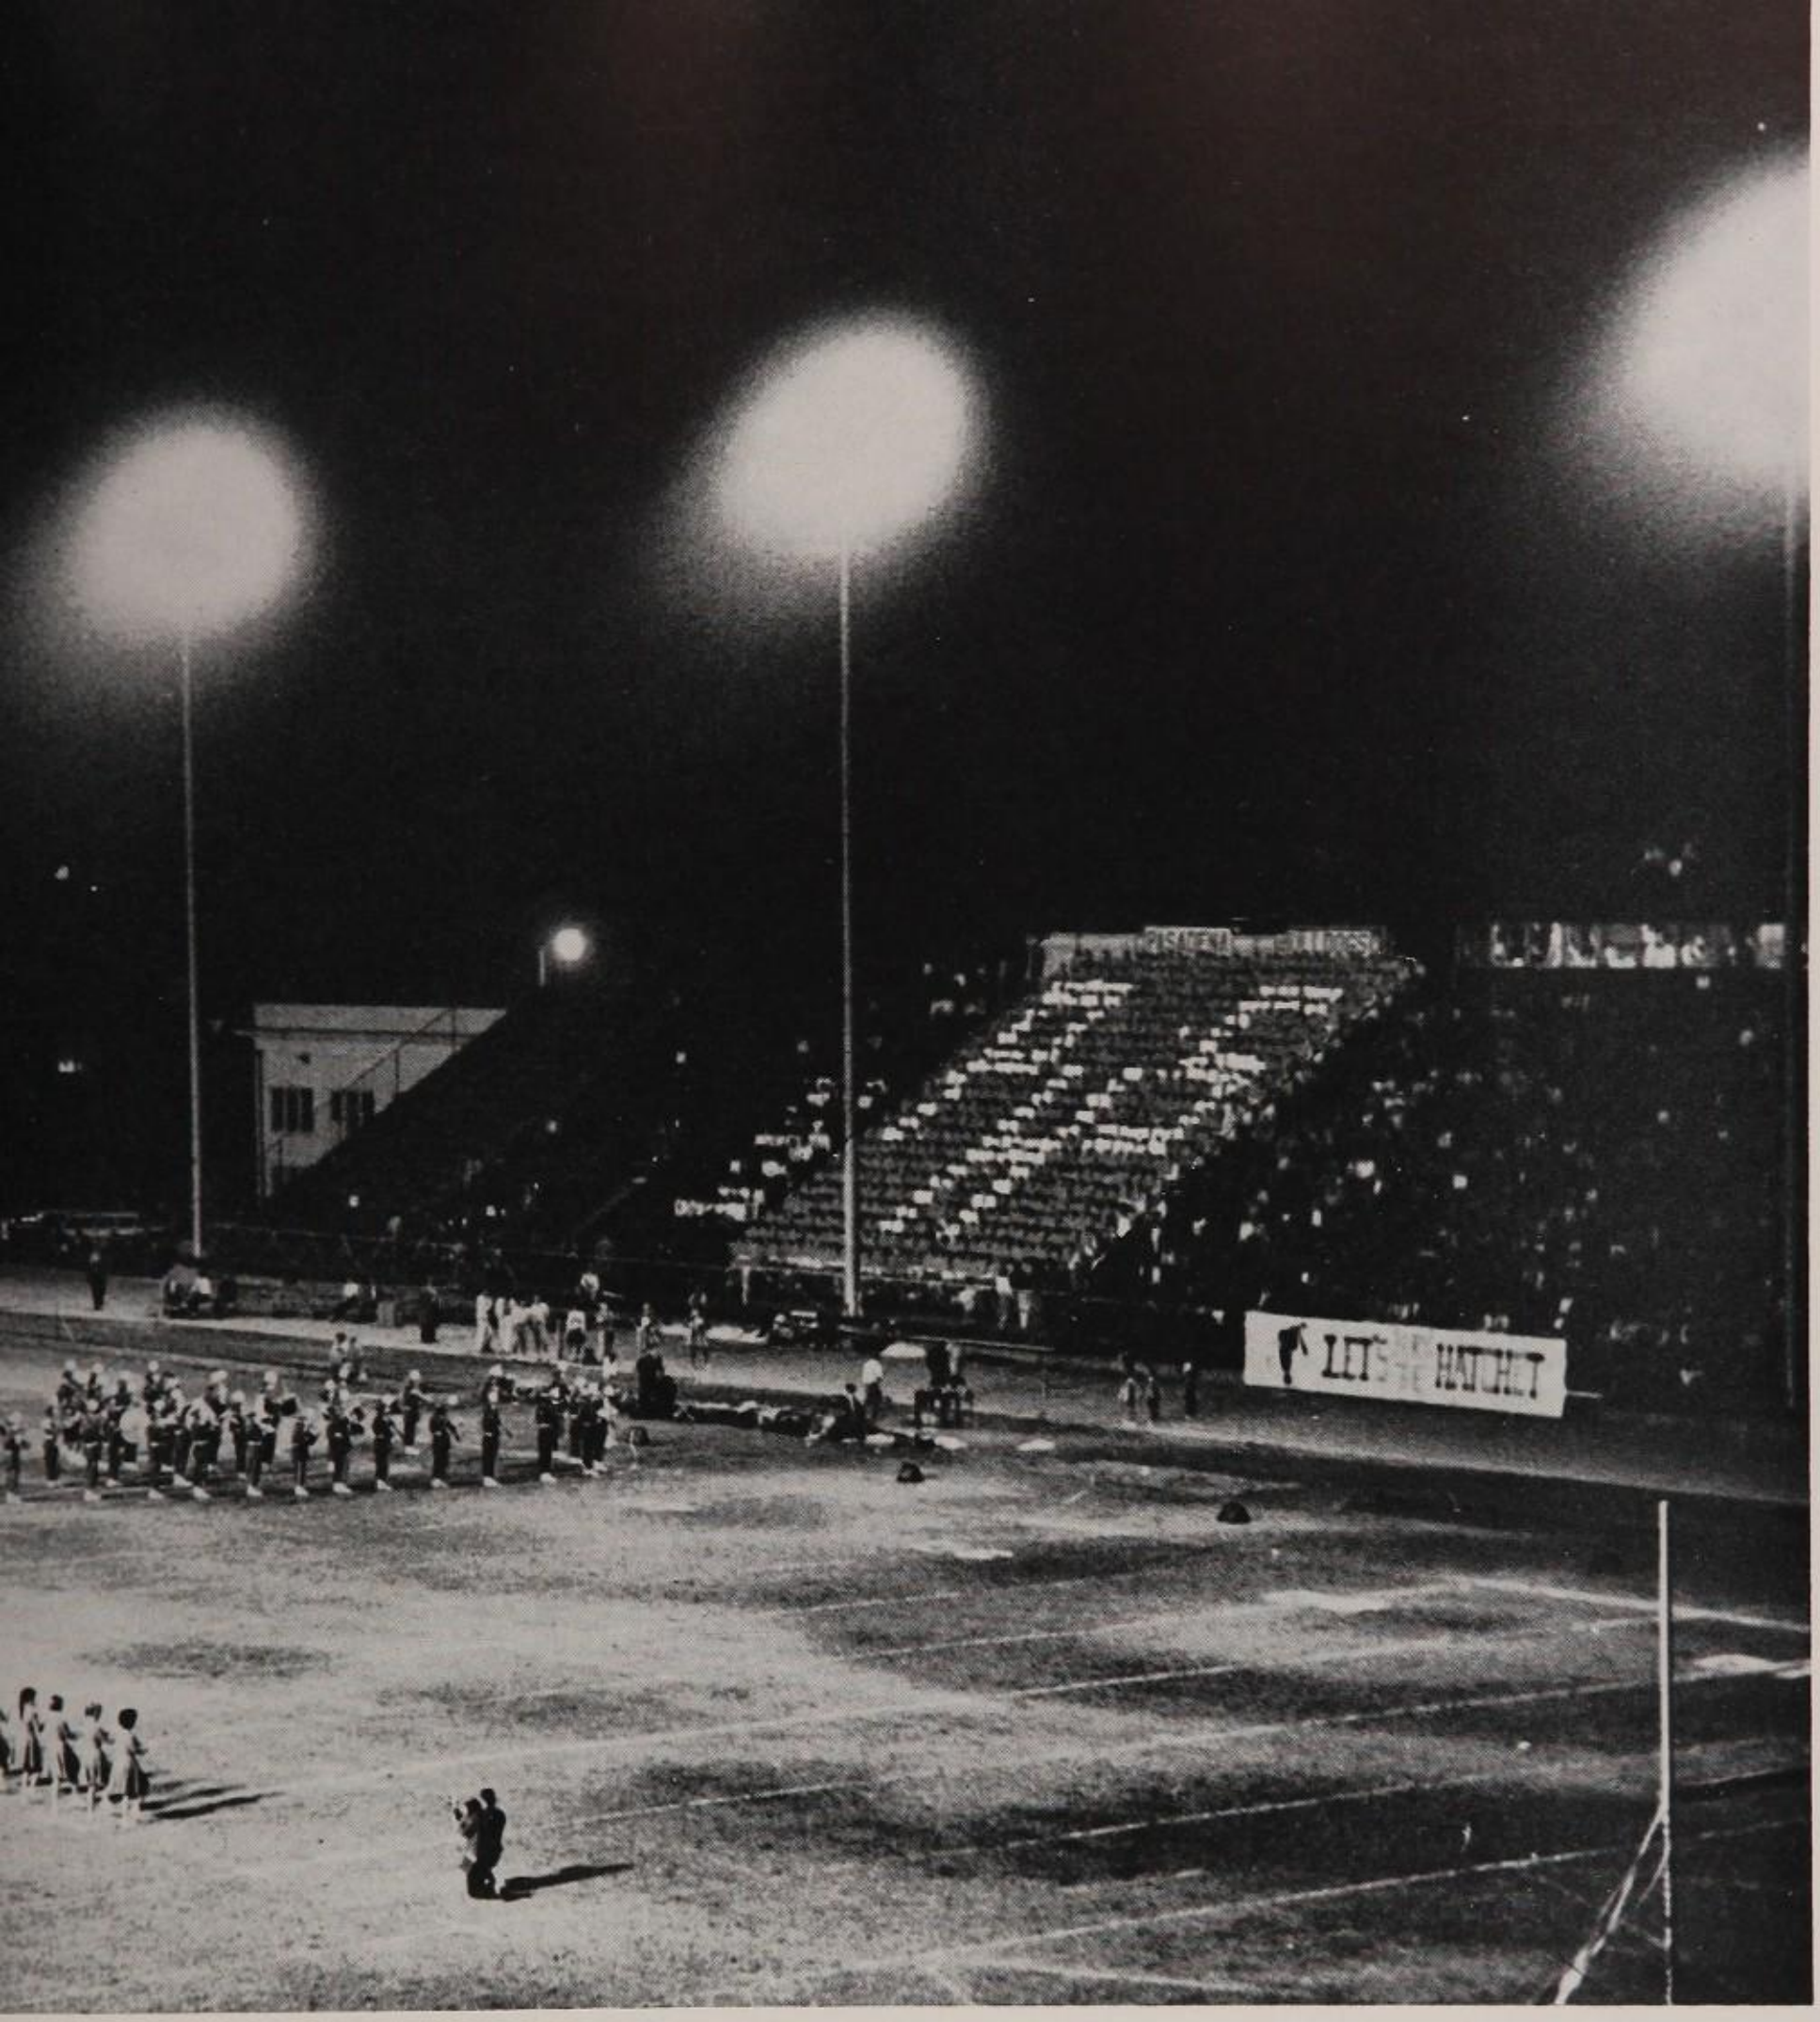
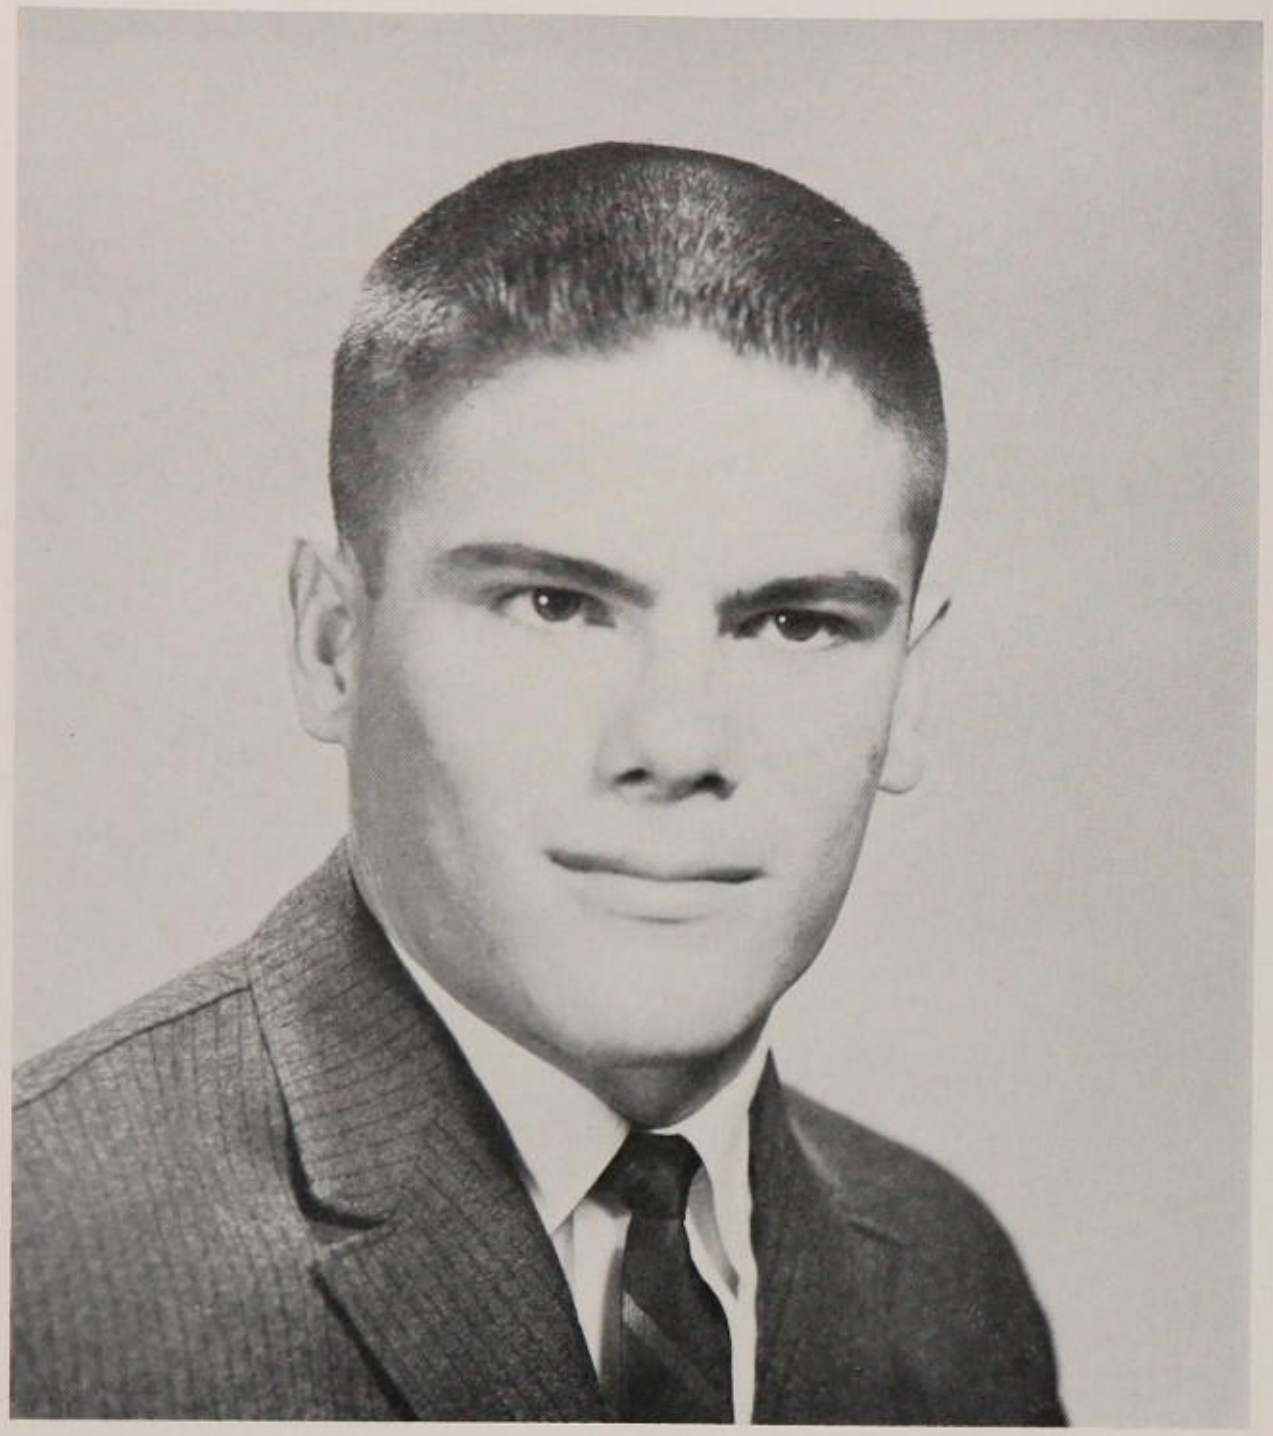
ORGANIZATIONS



Organizations have always played an important role in life at PHS. This year under the direction of Judi Rice and Penny Pettler they have become even more important. Pep organizations, science seminars, service clubs, and many others based on the interests of PHS students have met this year to share common hobbies and to develop special interests. The clubs, seminars, and workshops at PHS made life on campus more interesting and exciting.



The year 1961-62 will always be respected in the history of Pasadena High School. Through concerned parents, interested administrators, and enthusiastic, mature students, we have endured the growing pains of our young campus and have continued to maintain the traditional standards of excellence. The things we have witnessed, the situations we have experienced and the education we have gained, mark the end of this phase of life. While that which we achieved is the goal of eager, new students, we must go on to higher and better things. As we have met and conquered the challenges in the past, let us continue to do so in the future.

To you, the students, may I extend my deepest appreciation for your support and co-operation. Because of your efforts and participation, this year has proved successful.

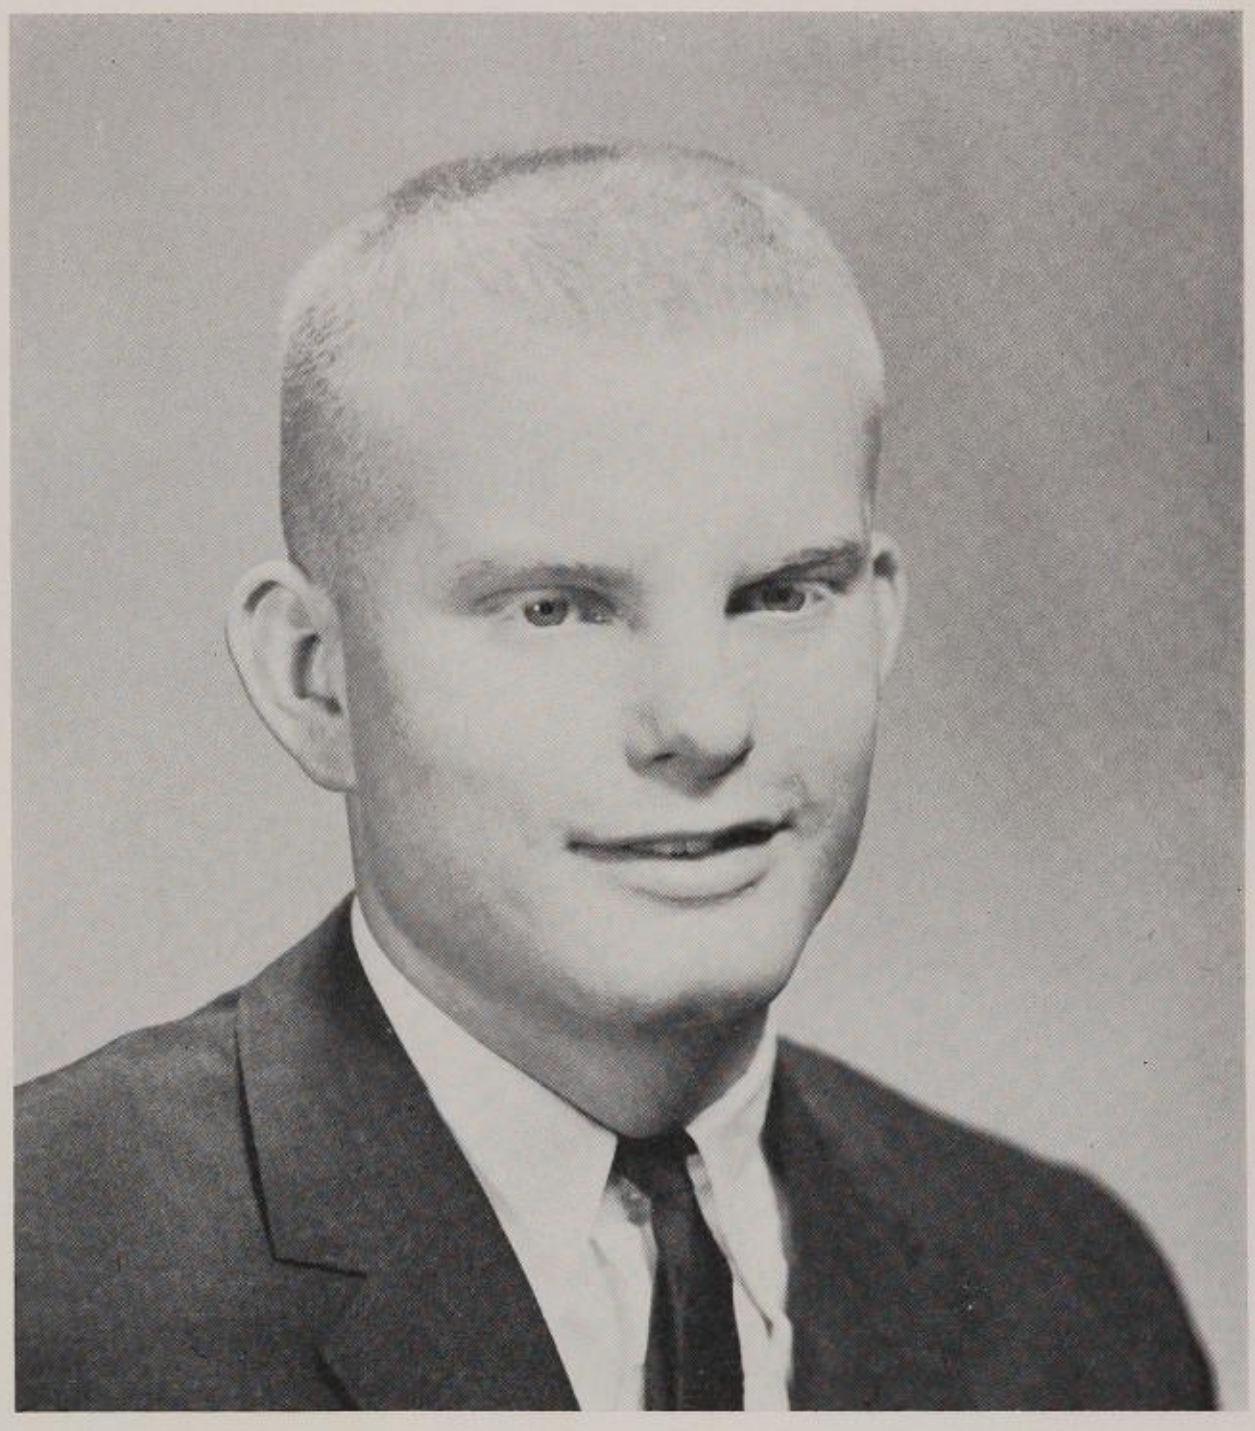
Fine execs helped us to establish new traditions



During the past year, both our campus and our student body have come of age. We can be proud, not only of Pasadena High School, but of ourselves, for our achievements have been truly outstanding. We have succeeded in upholding and extending the Pasadena High School traditions of scholarship and school spirit.

As we pause to look back on past accomplishments, let's be sure it is just for a moment, for we must continue on our way, working harder to set even higher standards for those who will follow us.

The student body has given strong and unfailing support to student government throughout my term of office. I thank you for your interest and cooperation.

Each semester the students of PHS elect a qualified ASB Cabinet to conduct student affairs and to present their ideas.

As in the past the student body again chose an extremely capable and industrious cabinet. Each member of the fall and spring cabinets have worked diligently and to their utmost ability to make this year at PHS a successful and memorable one for all.

Councils handled class business

The class council was designed as a basis for class representation through elected members. Each class had a council to handle their unique problems and affairs.

Leadership of each council was in the hands of a dynamic adviser and four capable class officers.

Through the council, each class sponsored money-raising drives and various activities. Especially active was the Senior Class Council which made decisions on graduation and the Senior Prom.

Rep Council was big business.

Peppy pepsters pepped up PHS'ers

During the past year Pasadena pep leaders were easily distinguished by their traditional red and white pep hats. Under the leadership of Beryt Fricke in the fall, pep enthusiasts watched the greatest football season Pasadena has seen in many years. The council sponsored pep rallies hat continued from fall to spring when Doreen Melendy became pep commissioner. These rallies were usually held in the morning before school and many spirited PHS'ers attended. As in years past, the Pep Council was under the guidance of our work-study counselor, Mr. Manny Perez, known to many as "Mr. Pep."

The Chron staff not only composes and edits its own paper, but distributes it as well.

Working under an ever-present deadline, Mr. Ernest Neumann, adviser; Nancy Tolbert, executive editor; and the Chronicle staff again this year produced an award-winning paper.

The staff was composed of six persons who had been on the Chronicle for three semesters, and ten juniors and seniors who joined the Chron for the spring semester. Through this method of selection and training, the Chronicle always has the benefit of an experienced staff.

Combining high journalism standards and traditional Bulldog enthusiasm, the Chronicle staff strove to keep PHSers informed and interested in school activities. Its success was attested to by its first class rating from the National Press Association. The busy staff wrote copy, made layouts, and checked page proofs for the bi-weekly distribution of the Chronicle.

Campus staff recorded highlights of a memorable year

MARGARET HERSHEY
Editor-in-Chief

The 1961-62 Campus staff was composed of 18 students and Mr. Walter Girdner, adviser. Under the leadership of Margaret Hershey, editor; and Judy Kenison and Donna Hanson, assistant editos, the many phases of yearbook production were handled.

Early in the year specific jobs were assigned to the staff on the basis of interest, knowledge, and ability. In addition to the "sections" of the book, staff members handled photos, filing, typing, and public relations.

In this rather unique situation the entire staff worked as a group in a production situation. Besides the invaluable training in "getting along with people," the staff through the class, learned about picas and slide rules, cropping pictures, the correct form of copy, layout and design, and a little about photography, engraving, and printing.

For the first half of the year, the work seemed endless and the accomplishments nil; but the time passed and deadlines came, and when the work diminished, the chart in the Campus office was colored in, and the book took form.

Pep was keynoted by band

Usually in front of the music, Bulldog Banner Girls had a chance to get behind it.

An important part of PHS life was music, and playing a big role were the Bulldog Band and Banner Girls. Composed of 70 members, under the direction of Mr. Bellis, the band performed at pep assemblies, at games, and in the Junior Rose Bowl Parade.

The Banner Girls were chosen at the beginning of the year from a number of contestants. They perform with the band, and when in order, spell out Pasadena.

In addition, the ROTC sponsored the Military Ball which is traditionally in March. This dance, which highlighted their year's social events, was a big success.

SPORTS

With their usual spirit and pep, PHS rooters pack the stands to cheer on our team. Regardless of the sport they screamed their approval and support. Athletic contests have traditionally played a major role in PHS life, but during 1961-62 we have every reason to be extremely proud of our athletic ability and performance. The biggest victory of all was the unprecedented third place set by our varsity football squad in the Foothill League. This fabulous record established a new standard for future teams.

Pasadena High School's varsity squad posted a 4-4-1 overall record and a 3-2-1 league record in the 1961 football season. With three league wins, the Bulldogs earned the best record in Pasadena history in the Foothill League. Mentored by head coach Tom Hamilton and line coach Frank Matuszak, the Big Red pleased all rooters with its overall fine play and spirit throughout the tough nine-game schedule.

Starting with an upset victory over Arroyo High, the Bulldogs fell to Alhambra—Pasadena's lone victory of 1960. Surprising all with its 14-12 defensive victory against Burbank, the varsity hinted at an above average season. The next week the Bulldogs were partially stymied by a fired up Hoover team as the Foothill League opponents fought to a 6-6 tie.

Drawing a bye from league competition, Pasadena grappled with the champs of the Pacific League—the Apaches of Arcadia High. The Bulldogs' pass defense was overwhelmed by pinpoint accuracy as the Apaches knifed a clean 34-6 victory.

Fighting mad from the Arcadia inflicted wounds, the squad easily downed the next two Foothill teams—Crescenta Valley and John Burroughs. Gaining long yardage on both occasions, the Bulldogs assured themselves a winning season. Switching to an aerial offense, the Pasadena team was turned back by a tough Glendale squad, 12-6.

Closing out its football schedule, Pasadena encountered cross-town rival, John Muir. Having already secured a CIF berth, the Mustangs wanted a clean slate for the year—no losses and no opposing league scores. The Bulldogs crushed the second wish by tallying twice and leading at halftime, 7-6. The enraged Muir squad returned to outplay Big Red the second half for a 25-13 victory.

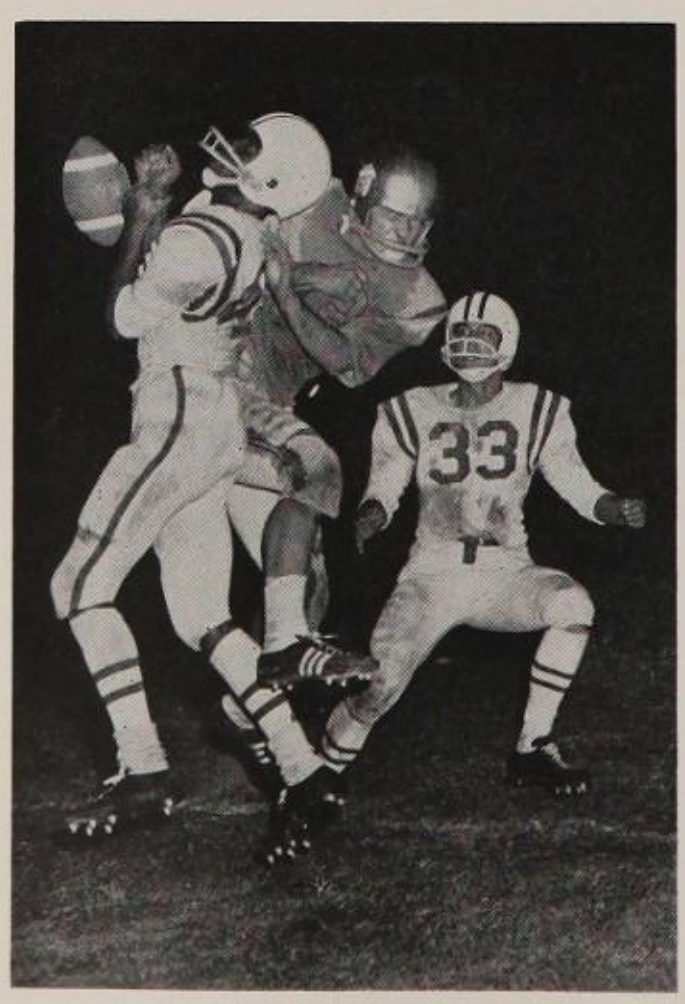
ARROYO	6

The Bulldogs, led by player of the game David Williams, opened the football season with an upset victory over the Arroyo Knights. Halfback Williams scored on a dramatic 60 yard play while fullback Bruce Corker hit pay dirt from the 4 yard line after Jack Fickessen rambled for 23 yards for the setup.

Varsity proved able as league opened

PASADENA	13
ALHAMBRA	21

Pasadena's second road game was played at Alhambra High's Moor Field. Alhambra, still nursing wounds from last year's loss to the Big Red, capitalized on fumbles and penalties to down Pasadena, 21-13. Halfbacks Aubrey Duncan and David Williams scored on runs for the Bulldogs' points.



David Williams attempts to complete a pass despite Alhambra's cleats.

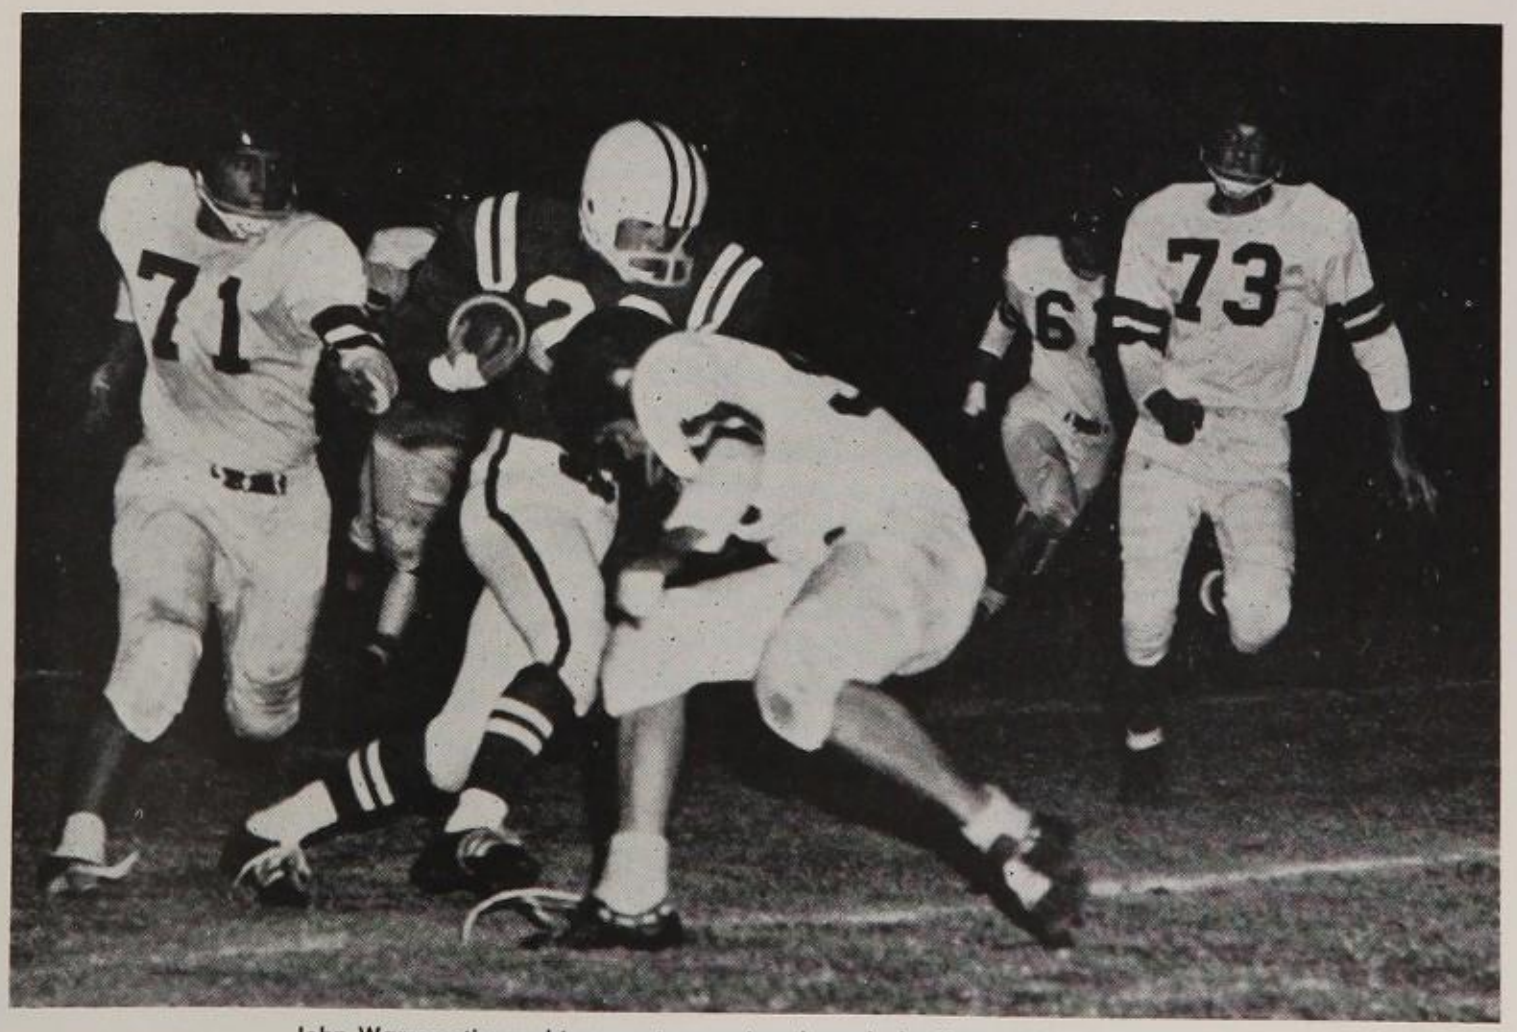
PASADENA	14
BURBANK	12

Left linebacker Bruce Corker stymies Burbank touchdown bid in Pasadena winning effort.

Player of the game Aubrey Duncan drove on a reverse for a Pasadena tally as the Bulldogs defeated Burbank in the first league game on Horrell Field. David Williams also scored with Benny Fensmark adding the extra points for the winning margin. The highlight of the game was a defensive goal line stand led by lineman of the week Don Anderson.

PASADENA	6
HOOVER	6

Not able to keep the spirit at fever pitch, the Bulldogs were held to a 6-6 tie by the Hoover Tornadoes. Most of the game took place at midfield where the Big Red was quarterbacked by player of the game Jack Fickessen. The Bulldogs had two touchdowns nullified and two scoring passes dropped in a most disappointing game.



John Warren stirs up his own storm going through the Hoover Tornado defense.

Undaunted by a lopsided score, fullback Bruce Corker cuts away from the sideline, out of reach of an Arcadia tackler.

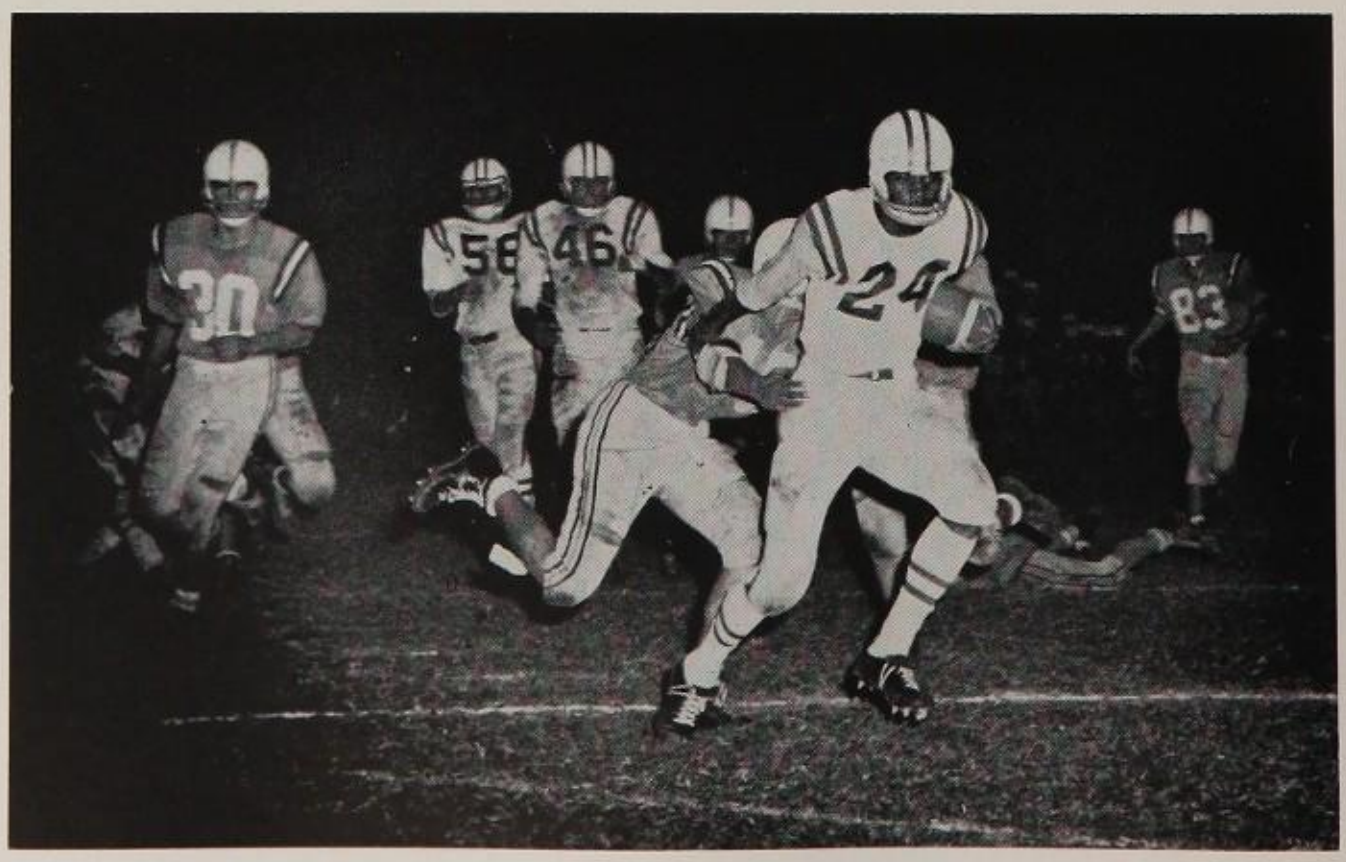
PASADENA	6
ARCADIA	34

Suffering their second defeat of the season at the hands of CIF-bound Arcadia, the Bulldogs were only able to score once. The score was a fourth-quarter pass from quarterback Gary Hartline to halfback Rick Seitz. Led by Howie Lucas, who gained 116 yards, the Apaches tallied five times, each TD being scored by a different player.

Pasadena jelled into a fine team -- prepared for Muir

PASADENA	33
CRESCENTA	7

Quarterback Jack Fickessen passed for two touchdowns as the Pasadena Bulldogs downed Crescenta on the Glendale field. Gary Hartline passed for another six points with John Warren and Tom Nieto scoring on runs. The Bulldogs met the newest team in the league with their greatest offensive attack since the Hoover game in 1960, gaining over 345 yards rushing and 87 yards passing.



Halfback Aubrey Duncan scores a TD for the Bulldogs in the greatest offensive show of the 1961 grid season.

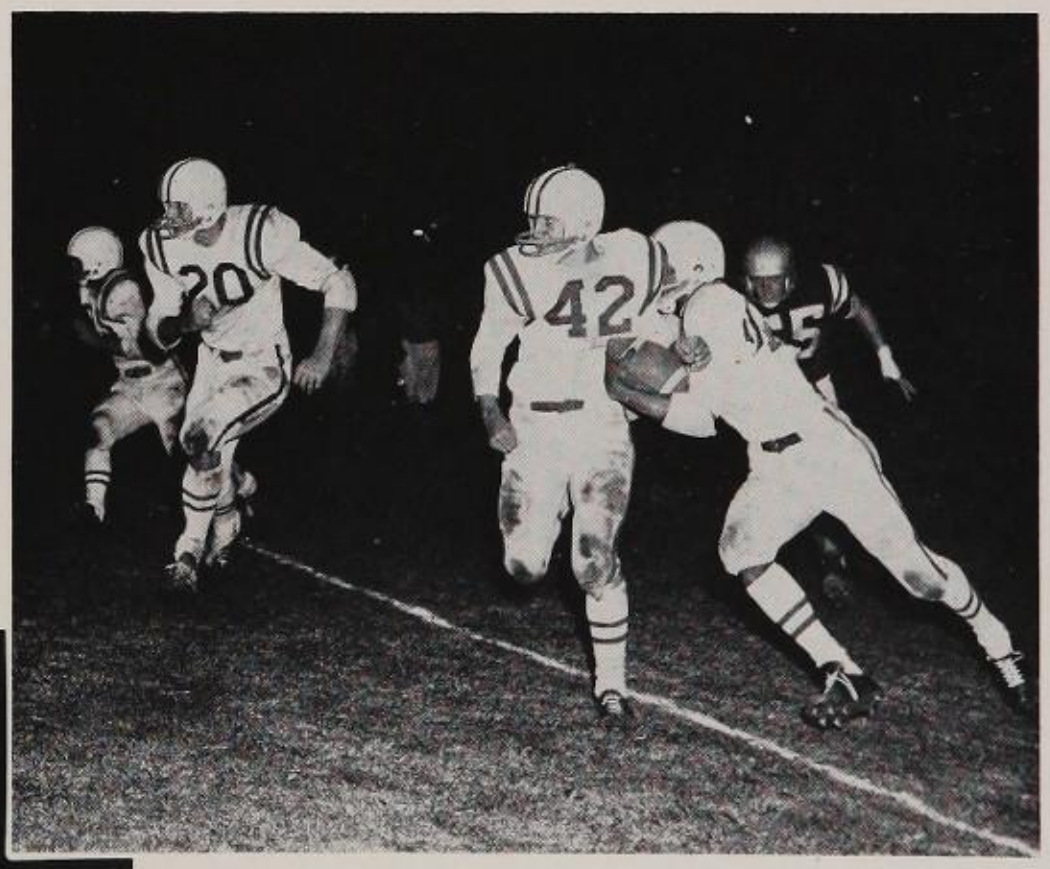
PASADENA	21
BURROUGHS	6

Leaning into a turn and a Burroughs blocker at the same time, Aubrey Duncan helps Bulldogs in their last victory of the year.

Returning home, the Big Red greeted Burroughs' Indians with drives of 82, 85, and 98 yards and a stunning victory. David Williams and Jack Fickessen both scored on end runs while Aubrey Duncan took a pass from Fickessen and ran the pigskin 17 yards for the third Pasadena touchdown.

PASADENA	6
GLENDALE	12

After a week of intensive preparation the Pasadena varsity stressed an aerial attack against the Glendale Dynamiters at the Glendale field. The Bulldogs completed six out of twelve passes and scored on an eight yard pass from Jack Fickessen to David Williams. The Glendale line held Pasadena on the one-yard for two plays nabbing themselves a CIF berth with a 12-6 victory.



Behind the blocking of Bob Gruber (35), Jack Fickessen (20), and Bruce Corker (42), Pasadena back Aubrey Duncan nets 23 yards in Bulldog-Dynamiter clash.

PASADENA	12
MUIR	25

In the final game of the grid season, the Bulldogs of Pasadena tussled with the Mustangs of John Muir before 11,000 students and alums. Player of the game Don Anderson scored the second PHS touchdown and recovered a Muir fumble to set up the first. Halfback Aubrey Duncan, most valuable player of the year, plunged two yards for the first Bulldog six points—the first time Muir had been scored on in league play this year.

Giving the Mustangs their best Turkey Tussle competition in many years, the Bulldogs were overpowered by quarterback Rod Sherman and end John Mason, both members of the all-CIF football first team.

David Williams eludes a Muir Mustang in the cross-town tiff.

Power-packed JV squad prophesied future greatness

The Pasadena junior varsity, coached by Mr. Gene Peterson, tied for second place in the Foothill League with a 3-2 record. The JV's compiled a 6-3 overall record in a fine season.

High point of the JV season was its tremendous comeback in the second half of the Arcadia game in which the Bulldogs equalled their rivals. The Apaches, however, had such a tremendous first half lead they went on to win 26-0. The JV's played their greatest game against the league champions from Glendale bringing home the honors to Pasadena with a 25-0 victory. Sorry to say, the junior varsity posted only six points to lose to John Muir's twelve; though Pasadena was triumphant in the Football Circus over the same Muir gridders.

With Gary Pettinger, most valuable player, leading the way, Coach Peterson is sending some 15 candidates to the varsity next year. Others vying for varsity positions will be the most improved player, sophomore Joel LaLone, and best blocker and tackler Ed Batten. Looking at the fine sophomore and junior material the varsity will be receiving next year it is hoped the Pasadena Bulldogs will have an even more successful year than this one.

Gary Pettinger leaves the rest of the players in arears in his scoring effort against Alhambra.

The 1961 version of the Pasadena Bullpups combined a variety of offenses with a strong defense to present coach Jack Sorenson and assistant coach Bob Baker with a 4-4-1 record. This was quite an improvement over last year's 3-6 tally. Despite the overall fair record, the Bees were only able to post a 2-4 league total to place fourth in the Foothill League.

Perhaps the most prominent feature of the Bullpups was their oscillation between being capable of rolling over any team and being unable to cope with an obviously inferior one. The "B's" completely overwhelmed the championship Burroughs team by a score of 19-0, the Indians' first loss of the season. Two weeks before, the same Bullpup squad outgained, outpassed, outrushed, and outplayed the cellar-dwelling Hoover team only to lose, 40-14.

The outstanding back of the "B's" was Bob Johnston, a junior who averaged over five yards a play. Don Aeberly and John Sorenson, both juniors, copped most improved player and best lineman of the Bee team. Senior Takuma Nikaido was picked as the most inspirational player while another senior, Seigo "Art" Tsuchiya, received the Claude Hippler Award for sportsmanship and general fine play.

With a host of returning lettermen next year, it is hoped the new Bullpups can keep improving into another fine Pasadena team.

Quarterback Takuma Nikaido is finally brought down by three Hoover defenders as Dickie Cook (39) comes up a little late.

spirit gave spectators thrilling games

Opening the basketball season with two returning varsity lettermen and six "B" lettermen, coach John Waller had hopes for some improvement over the 1960 Bulldog varsity. The Pasadena team was, however, confronted by excellent teams from all Foothill League schools. Rooters were forewarned of a dismal season by the pre-league tournament in which the varsity placed a meek eighth.

With the league season underway the hoopsters were unable to shake their former court stiffness and lost an unprecedented eighteen while winning three in a long, tough schedule. In a vain attempt to revive the sagging physical structure of the team, top Bee and JV personnel were brought into the ranks of the varsity.

Despite the bad win-loss record, the Bulldogs did play some exciting and hard fought games. The league opener saw a fired-up varsity lose by only one point to Burbank. The first Burroughs game, played here, was a close contest except for the opening minutes when the Indians swished eight points for a safe margin. Using a full court press the whole game, Burroughs was able to hold the Bulldogs in check for a 63-53 win. The most exciting and the closest game of the year was the season finale with John Muir. A determined Bulldog team started the game with only one thought—Beat Muir! The game was even through the third quarter. In the closing minute the Mustangs stampeded with a series of goals and free-shots to leave the home team rooters speechess with a loss.

Outstanding player of the varsity squad was two-year letterman Gordon Schloming. Schloming averaged 10.5 points a game and was very effective under the backboards. Other top seniors were Duncan Cason, Jay Donoghue, Gary Paulson, and Ron Ball. Juniors Ray Holloway, Leroy Smiley, and John Wardell, plus JV and Bee team members will be the mainstays of next year's varsity team. With added experience and a little more height, it is hoped next year's Bulldogs can achieve the success of former Pasadena teams.

"B's" sport young squad in fair season

The "B" basketball team, under the guidance of coach Bob Baker, displayed fine play all season in placing fifth in the Foothill League. The Foothill League boasts one of the toughest "B" basketball loops in CIF and the Bullpups managed a 4-8 record in this competitive area. Faring better in non-league play, Pasadena attained a 12-10 overall record.

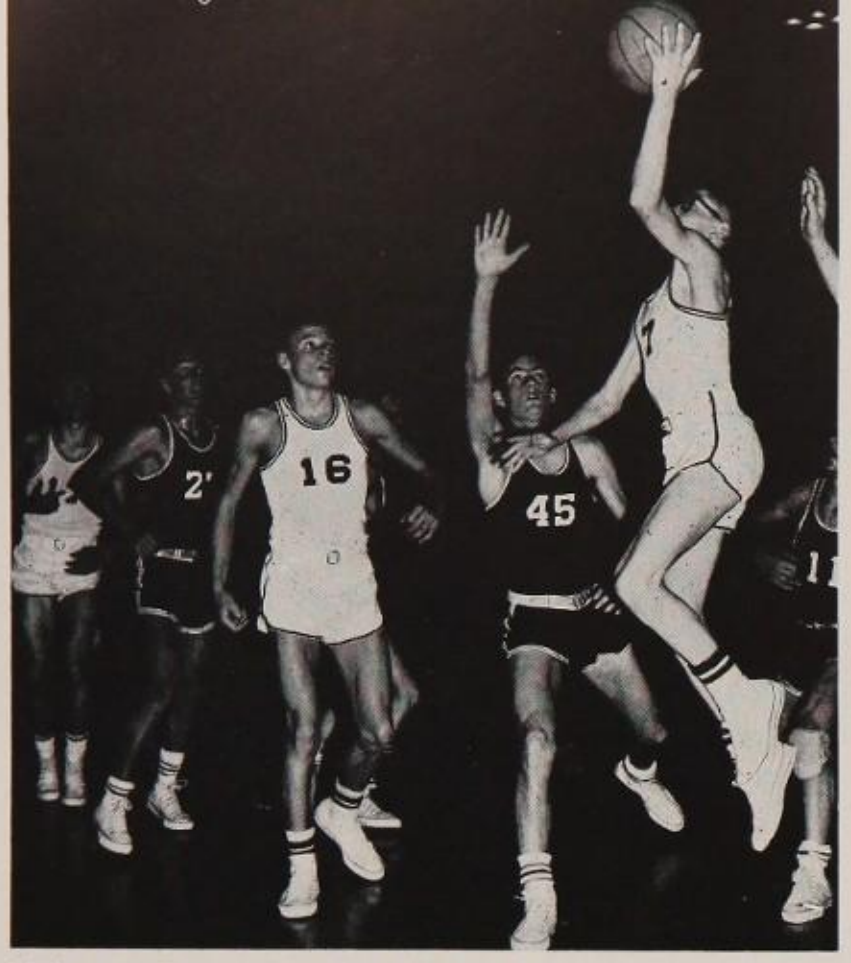
In the pre-league tournament held here, the Bullpups showed exceptional early season skill to take the tournament championship from the Glendale team, 55-36. In virtually the same situation, the "B's" scored a 40-36 victory to dethrone Glendale from the league championship and leave the door open for the Hoover Tornadoes. Pasadena won both Muir games by scores of 51-49 and 50-40. The latter victory was the most exciting game of the season and closed the curtain with an excellent final act.

Most valuable player of the year was sophomore Bill Sweek, who paced the team with a 12 point average per game. Other top talent was personified in seniors Lee Havener and Dave Warnick, juniors Jim Post, Dick Hess, and James Atkins, and a host of sophomores. The "B's" lost junior John MacDonald early in the season due to injury, and Bob Kingston went to the varsity.

Next year's "B's" will start the season with about five returning lettermen while ten more "B's" will graduate to the varsity. The experience gained playing under Coach Baker this year should bolster both the "B" and varsity teams' efforts in the coming seasons.

Seemingly protected by a ring of opposition, Bill Sweek gets two key tallies in the Pasadena effort.

Lee Havener keeps the ball high, out of range, during a scoring play against the Burroughs Papooses.



With great form, George Scott lifts the ball to the basket for two "B" points.

Gymnasts combined much skill and some experience for good season

From the first meet (a 60-60 tie) to last (a Pasadena victory), the gymnasts of Pasadena High performed well to compile a 5-4-1 record. Under the fine guidance of coach Eugene Peterson, many matmen developed into outstanding performers.

Especially outstanding performances were given by two juniors, Steve Parr and Warren Beers. Team captain Parr, also most valuable gymnast, competed in CIF in the parallel bars in which he placed a creditable ninth. During the regular season he also participated in the long horse, ring, and high bar events. Beers also went to CIF, in the rings, to place sixth in the best single performance of the year. In addition Beers took part in the horizontal bar, rope, free exercise, and parallel bars in dual and invitational meets.

Top man on the mats was Dick Whited who shared free exercise honors with Joel Rudnick and Mike Palmer, both sophomores. Within the team, Ted Lingle, Gary Glaser, and John Stait were all close throughout the season on the side horse. Rob Hurtt represented PHS on the rope and long horse while Dennis Liljegren performed on the long horse and high bar. Junior Bill Asmus was second team member on the rings and Bill Melinat was top sophomore tumbler.

Pasadena runners made tracks in fine season

In its sophomore year of existence, the Pasadena track was home to the Bulldog varsity, "B," and "C" track teams. Combining their talents to aid spikers were head coach Bruce Wirth, assistant coach John Waller, and associate coaches Larry Auzene and Jim Stevens. Taking advantage of this fine staff, varsity thinclads took a Foothill League third place; the "B's," fourth; and the "C's," an excellent second place.

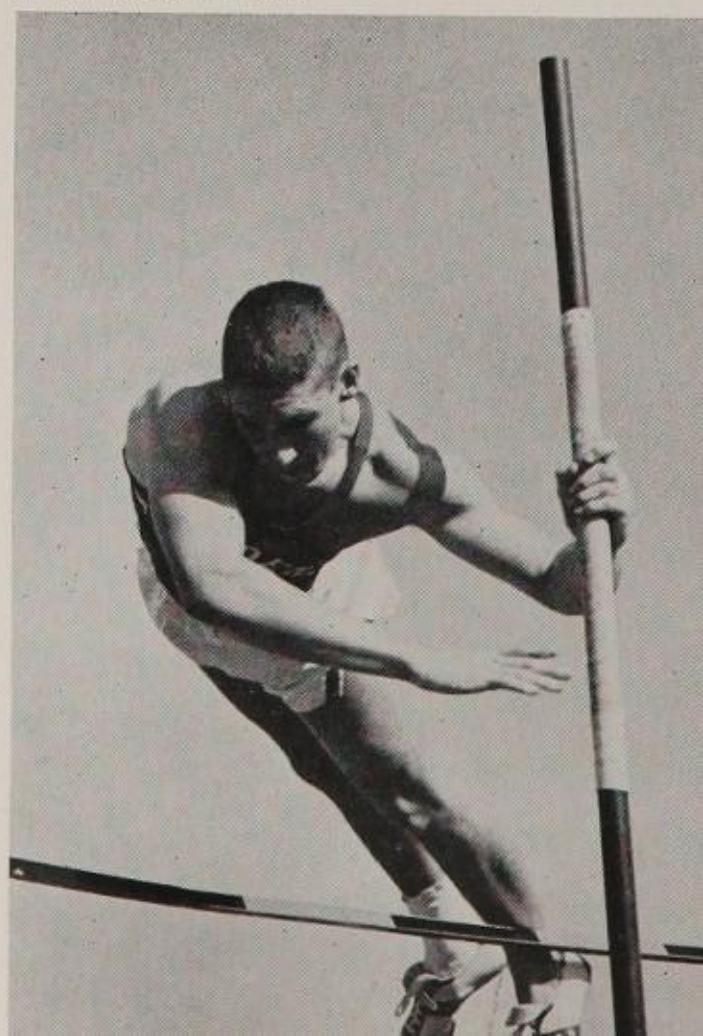
Most valuable varsity track star, Aubrey Duncan, combined three events for his claim to that title. "Dunc" set school records in the 440 with a time of 48.9 and the 180 low hurdles in a 19.1 second clocking. Duncan took a first in the 440, a third in the 120 lows but failed to qualify in the broad jump during the Foothill League finals.

"B" most valuable runner, Art Tsuchiya, ran the 120 low hurdles for a fourth and the 70 high hurdles for a third in the Foothill finals. Tsuchiya also ran in the 660 yard relay team with Ed Batten, Tom Inouye, and Bob Johnston for a school record of 1:09. The lone "B" first place in the finals was posted by sophomore Dick Railsback in the pole vault with a height of 11'6". The "B's" ended the season with a 3-3 league record and a 5-3 overall record.

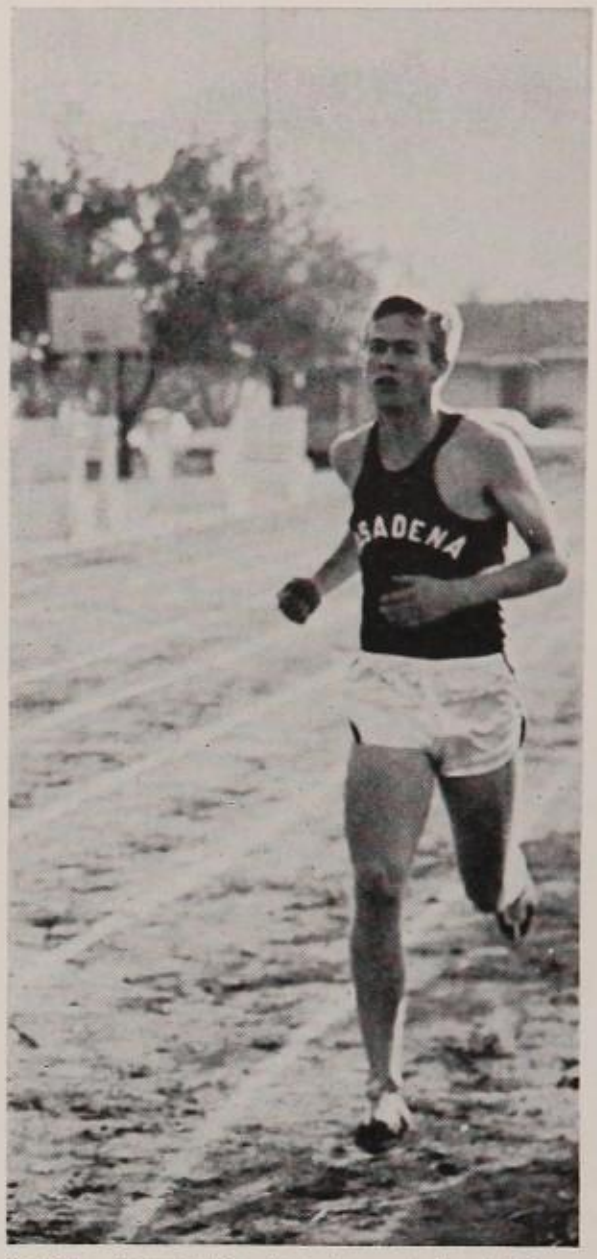
The "C" track team assaulted and massacred every record—save two—the 100 and 180 yard sprints. Two "C's" broke a pair of records each. Larry Arnett ran the fastest 660 and 1320 in PHS history with times of 1:24.7 and 3:35.5, respectively. Pedro Troncosco flew over the pole vault bar at 10'6", and Tronscoso and Bill Behr both cleared 6'4" in the high jump. The "C" team lost only one meet, to the unbeaten Muir Colts by a score of 30⅔ to 53⅓.

Versatile Aubrey Duncan sends a wave of sand before him in a home meet. Duncan came close to qualifying for CIF in the broad jump but crow-hopped on each of his jumps.

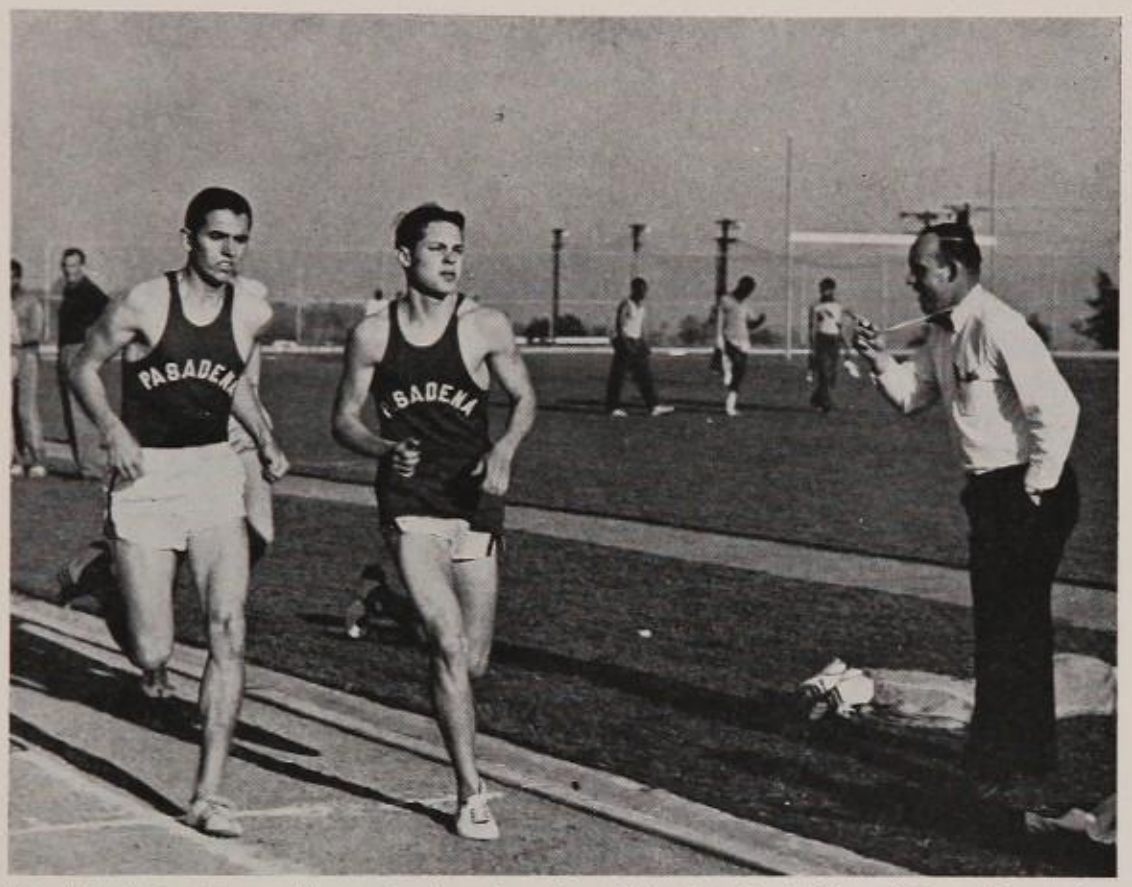
Junior Gary Pettinger clears his top height of 13 feet in the Pasadena Games.



Top shot putter Les Tocher heaves the lead as Bob Stone (left), Evan Morgan (center), and Roger Bergman look for good points in form.



Coming around the last turn, John McGraw heads for the tape at the end of his record 880 yard run with a time of 1:58.



Mr. John Misenhimer calls out the time for milers Rolyn Severin (left) and Davy Eby as they start the third lap.

Coached by Mr. Bruce Wirth, the varsity cross country team attained unprecedented heights in the 1961 season. After taking second place in the Foothill League, Pasadena cross countrymen went to the CIF finals at Mt. San Antonio College and took a tremendous seventh place. Heading the varsity squad were Rolyn Severin, Dennis Clarke, and John McGraw, all seniors and returning lettermen. Outstanding runner for the varsity was junior Dave Eby. Posting a 4-2 league record and a 9-3 overall record, the varsity capped a most successful season by beating John Muir, 15-50.

Led by outstanding member Greg Franks, the junior varsity copped the Foothill League championship while the sophomores matched the varsity with a second place showing.

excelled in CIF

For the first time in two years Pasadena High's name was recorded in the winning column of CIF books through the efforts of the varsity baseball team. Coached by Frank Matuszak, the varsity placed second in the Foothill League behind the Glendale Dynamiters. Getting a slow start, the Bulldogs put experience and power on the diamond in a thrilling season. Paced by all-Foothill League players Ed White and Roger Stevens, the varsity compiled a fine league record of seven wins, five losses.

Stevens' team-leading .379 average was followed by most valuable player White's .338, Gary Coburn's .333, John Warren's .314, with Brad Boothe completing the .300 hitters with a .304 season average.

Starting with five returning varsity lettermen, Coach Matuszak integrated last year's top JV personnel to form an efficient, successful squad. With Warren and Stevens returning in the outfield, Phil Williams and Bill Knapp shared the load in right field. The infield included Phil Olwin and Guy Rose, first base; Brad Boothe, second; Gary Coburn, out much of the season with a neck injury, at shortstop; and phenomenal Ed White playing third and covering much of the infield and outfield as well.

Pitchers Russ Arnce, Dennis Ower, and Richard Lewis provided the speed and coolness on the mound which gave confidence to the rest of the team. At the receiving end of the pitches was Phil Teran, a great plate-blocker and excellent at calling important pitches. Gary Griffiths was an able stand-in for Teran throughout the season, but notably during the Dominguez game when Phil was hit by a foul tip.

CIF competition brought out the best in both the fielding and hitting aspects of the team. After finishing the league season the Bulldogs met Hoover to play off a six-inning tie game to decide if Pasadena could enter CIF play. After waxing the blown Tornadoes, 6-0, the Bulldogs met Ventura, Loyola, Dominguez, and Lakewood, in that order. In the semi-final game against Lakewood, the Bulldogs dropped a two-run lead in the bottom of the last inning, to lose, 6-5.

In his third year of coaching, Tom Hamilton guided the Pasadena junior varsity baseball team to Pasadena's only uncontested Foothill League championship of 1961-62. Sporting a 9-3 league record and a great 14-4 overall record, the JV's brought the lone championship trophy to the Pasadena trophy case.

Behind the pitching of Dave Johnson, Ed Lerrille, and Larry Fashank, the junior varsity clobbered opponents for the best season in Pasadena history. Top batters of the season were Larry Fashank and Al Cree while outstanding fielders were shortstop Dickie Cook and catcher George Lubbock.

Next year's varsity, as evidenced by this year's superior JV showing should be one of the first squads to benefit from Pasadena's newly inaugurated three-year sports program. Top prospects for next year's varsity are led by most valuable player Dave Johnson.

In league playoffs, varsity netters Stan Smith, Mike Barr, and Larry Alexander earned three of six places to represent the Foothill League in the CIF playoffs.

By virtue of a 10-2 league record the JV tennis squad tied with Glendale for the league championship. AUBREY DUNCAN

The spring 1962 sports banquet on May 24 was climaxed by the presentation of the best all around athlete award to football and track star Aubrey Duncan. Duncan was the only varsity gridder to attain a position on the all-Foothill League first team. Aubrey was also the lone varsity thinclad to reach the CIF finals where he ran the 440 yard race.

"Dunc" gave PHS rooters one of the greatest thrills of the season by his spectacular, scream-accompanied, return of a Muir kickoff to the Mustang eighteen yard line. Duncan's effectiveness on the field was due to his use of fine Bulldog blocking plus his own natural speed and agility.

Bringing his speed to the fore, track star Duncan ran the 100, 180 low hurdles, 220, 440, 880, and broad jump events at various times during the season. Aubrey set school records in the 180 yard low hurdles and the 440 yard race to leave his impression on PHS record books in years to come.

Aquamen lack experience--show spirit

Pasadena swimmers broke eleven school records in the 1962 season in which the varsity finished with a 2-4 league record and a 5-7 overall record. The sole varsity record to sink was in the 100 yard butterfly which Roger Brant covered in 1:06.3. The varsity free relay team came within two-tenths of a second of the school record of 1:40.4.

Outstanding varsity swimmers were sophomores Steve Tallman, most valuable participant, and Bill Meliant; and juniors Charles Tallman, Roger Brandt, and Peter Christy. Steve Tallman swam the 50 and 100 yard free-style and anchored the near record-breaking 200 yard free relay team. Melinat, Pasadena's top diver, placed second in the Foothill League finals.

The swimming team came close to sweeping the Muir meet as the varsity and "B" tankmen dunked the Mustangs with scores of 61-34 and 67-10. The "C's" were barely edged by a 39-37 score. This year's squads showed excellent spirit and a willingness to work which will carry over for the next few years. Seniors, Pete Strand, Dennis Hughes, and Ted Christy were backed by a host of sophomore and junior talent brightening the future aquatic picture.

In its second year of existence, Pasadena High's water polo team gained much needed experience. Led by junior Roger Sprankle, most valuable player, the varsity sported a 3-6 season.

Behind Sprankle's 39 goals, Rick Throop scored 15 and the other forward, Bill Blaylock, added nine to the team total of 79. The "B's" contributed a 3-6 record and the "C's" won one, losing four. Against Foothill League teams Pasadena won three and lost two. With this record the team is looking forward to possible league competition in water polo next year.

The other team is playing tough—but goalie Peter Strand sends the ball down field to start another Pasadena drive. John Fauvre and Peter Christy (39) prepare to assist if needed.

Goalie Rick Niederman (22) and fellow teammate Alan Grant save a near goal in Pasadena's tough, free-agent season.

GAA leadership scored high

The Girls' Athletic Association has four major goals: to increase interest in girls' sports; to promote cooperation and good sportsmanship; to provide opportunities for leadership; and to encourage service to the school.

Under fine leadership over seventy members participated in such sports as badminton, tennis, swimming, volleyball, golf, hockey, archery, baseball, basketball, and dance. The GAA represented PHS at four playdays and returned home victorious. In addition to its many other activities, the PHS GAA hosted the annual GAA conference.

Classes offered diversified activities

The completion of the gyms marked the beginning of a physical education program keyed to our fullest capabilities.

The fine facilities of our new physical education plant included courts for basketball, volleyball, and badminton, body mechanics rooms, various fields, two swimming pools, and a dance studio; as a result PHS girls were able to choose from a wider variety of sports than ever before.

Teaching these sports were nine capable gym teachers and the department chairman, Mrs. Wardlaw.

Interpretive dance was popular at PHS.

ACTIVITIES

Just as the Salisians have established a family tradition of leading enthusiastic Bulldogs, activities built on old and new events, have become tradition at Pasadena. PHSers have enjoyed the social side of campus life for many years. The spirit of past greatness in pep has urged each student body to new and undreamed of heights. The same memory of past greatness inspired other social events at PHS. This year the dances, assemblies, elections, car and fashion shows plus endless other activities were described in the superlative by PHS students. Their choice of adjectives was keyed to the high standards of entertainment and enthusiasm set by energetic Bulldogs.

Homecoming

Enthusiastic Bulldogs held their breath as members of "Boys' League Control" launched their first balloon. Although we didn't put Muir into orbit, old and new PHS'ers broke new sound barriers with their cheers. This fabulous pep assembly was sponsored to honor our teams and to urge a final burst of effort. A starry-eyed homecoming court, combined pep squads, and a faculty-alum drill team acted as important boosters to team and student body spirit.

At the Turkey Tussle itself, still more spirit was displayed by the wild PHS cheering section as it cheered the "B" and "A" teams on to a tough fight. "We scored on Muir," was wildly chanted by screaming Bulldogs.

After the game ,the alums were honored at the annual Homecoming Dance. Bulldogs, past and present, spun through an evening of fun, entertainment, and the pleasure of renewing old friendships.

Students dropped in to have fun

Due to the efforts of the Drop Inn committee and the Kirk House Youth Center committee, Pasadena Bulldogs were able to gather for dancing, food, and fun.

Post-game activity was channeled into energetic dances held at either the Civil Defense Center, the YMCA, or the Kirk House. Decorations accentuated original themes and provided atmosphere while brave Bulldogs initiated the newest dance steps.

The very name of these dances describe their character. They were casual get-togethers to give Bulldogs a place to dance and have fun.

School bell or sleigh bells, Christmas rang through the air

Although Pasadena students didn't hear the prance of reindeer or sleighbells, they did see the flash of a red suit as our own Santa Claus dashed across the campus. This visit from "jolly old Saint Nick" was only one of a variety of events that made the pre-holidays at PHS as sparkling as New Year's Eve.

"Noel Nocturne," the annual Christmas dance, climaxed Einar's tree trimming party and the traditional Carol Sing.

Formality and dignity characterized a military evening

Swords and pomp were synonymous with this year's Military Ball. As in the past the PHS ROTC topped their year with an event which can be only described as magnificent. To rule over their ball the cadets chose a beautiful queen and an exquisite court. Dress uniforms, music, Order of the Red Derby, and refreshments all led to a victorious evening.

world understanding on a local level

Although we have come closer and closer to other parts of the world, our ideas still seem removed. Airplanes have conquered the distance physically but our minds have not kept pace. Through the American Field Service, however, we are striving to catch up.

By exchanging students, we are also exchanging ideas and understanding. The aid these students have given in closing the distance between minds is immeasurable.

Per Einar Nordbo and Carol Stutzman have made PHS part of the world community, a community made possible through this exchange program. The AFS Day assembly brought us closer to the understanding which is the goal of the American Field Service.

Every program needs money to function. The movie, "Inn of Sixth Happiness," was PHS' AFS money-making project. Through the profit we hope to have two AFS students here next year.

The AFS committee planned the year's activities. There were (row one) Margaret Harding, Susie Baird, Carol Stutzman; (row two) Karen Baker, Steve Cole, Einar Nordbo, Chet Osborne, Mr. Stromberger, adviser; Ann Bowman, Hiroko Yoshimoto.

Although those who attended this year's Storybook Ball did not see any knights on white horses, they did feel their influence. From the moment they walked across the drawbridge they were in a world of tournaments, castles, and medieval romance.

An enchanting court ruled the evening and the lovely queen, Kathy Price, enjoyed her reign without any threats from dashing young Lochinvars. What the evening lacked in duels and armored guests was made up for in romantic music, a regal atmosphere, and hot fudge sundaes. "A Knight There Was" was a night that will be long remembered.

An annual spring event, the Girls' League fashion show, this year had the theme "Alice in Wonderland." Advertising for the event was done by members of the spring Girls' League Cabinet who dressed in pastel cottons and starched white pinafores, and by posters designed by the art production class.

Stars of the show were Carol Brydolf, a fifth grader, who played Alice, and Judy Moulton, who was Alice's "sister" and was the commentator on the show.

The fashions were presented by eight shapely and poised models and the evening was topped off by refreshments provided by the Girls' League Cabinet.

Production groups combined talent and creativity

Artes, Cub Chronicle, and Project Record incorporated students' talent and PHS enjoyment. The students involved in these projects gave of their time and energy to produce a collection of outstanding high school literature, up-to-the-minute news, and the sounds of PHS.

Artes, under the leadership of John Bruns, combed the campus for superior literary talent. They then combined this excellent material with high quality art and photo work to produce a superior high school anthology.

Creating with flashbulbs and paint brushes the two visual production groups captured PHS highlights.

The photo production students saved for posterity events that made this PHS' best year. This production group not only spent many extra hours covering events, they also spent hours in the darkroom converting film to negatives and negatives to prints. They topped their year with the selection of a Miss Viewfinder court composed of seven photogenic beauties.

The art production group also spent many hours putting the paint on the butcher paper that flew from our buildings proclaiming everything from swim meets to a "Welcome Parents."

The talent show journeyed into time

Magician Joe Dauben hypnotized the audience to take it into the fourth dimension.

Once a year PHS spotlights talent. This year the old and the new were combined to give an especially effective program.

Before our very eyes, magician Joe Dauben took the audience back in time to a party in the "Roaring Twenties." As time stopped spinning we were among flappers and the Charlston. The guests provided their own entertainment which we were allowed to watch before returning to the present.

Time again flew by and dropped us in the present at another party. This time the party was distinguished by bongos and beatniks. Again we were allowed to watch as they provided their own entertainment typical of the time.

All of a sudden our magician brought the past and present together. The curtain closed on flying legs and arms as the twisters and flappers found that time hadn't changed dances much.

The talent show brought the flying fringe of the twenties to PHS.

Swinging and wailing talent show participants Bobby Edwards, George Vontress, and Leroy Smiley made with the cool, modern sound.

Dark glasses accompanied by the mellow sound of Rick Bystrom's sax accentuated the modern half of the talent show.

Dave Tiller sang to a background of knees, blazers, and rope beads.

The pleasure of this show was not limited to PHS students, but was also taken to entertain and chee students from Roosevelt School.

The car show participants displayed their automotive excellence

Sweepstakes winner Tom McKeehan re-polishes his '40 Chevy.

Under the supervision of President Dan Nishiyama, the Boys' League highlighted its spring activities with a fine, day-long car show. On a hot day, stunning Linda Thesman, the car show queen, managed to keep her cool charm evident. Agreeing with the judges, Linda awarded the sweepstakes trophy to Tom McKeehan for his Tahitian red '40 Chevy coupe. Roland Percy's '62 Bonneville took the stock division while Dugan Garlinghouse took first in the sports division for the second year with his metallic charcoal MG TC. The drama department culminated the year's activities by staging "Teahouse"

Duncan Shank was disturbed as Don Woodmansee and Dwight Espe learned to accept the gracious, quiet oriental way of living.

Our drama production was under the Eastern influence as they produced "Teahouse of the August Moon." The stage was set for gracious oriental living. Altough the oriental setting and costumes were graceful and lovely the action was not along the same smooth lines. Comic situations were instigated by Salrini, played by Joel Rudnick.

Dwight Espe as Captain Maclean, Ruth Roth as Lotus Blossom, Duncan Shank as Colonel Purdy, and Ron Woodmansee as Captain Fisby also starred in the production. Mr. Franco and his drama production group worked to make this play a success.

Tranquil Oriental beauty was symbolized by Ruth Roth, who starred as Lotus Blossom in "Teahouse of the August Moon."

PHS combined choirs performed Handel's "Hallelujah Chorus" as a part of the Christmas program.

Bach, Tchaikovsky were presented by the choral groups

The combined choral groups presented two major productions this year. The first was the Easter Concert at which they presented Bach's "Christ Lay in the Bonds of Death." The second, the Spring Concert, combined both vocal and orchestral talents. The presentations of the individual choirs were interchanged with a duet, a trio, a quartet, and two instrumental numbers. The climax of the concert was the combined A Cappella Choir and orchestra, blending notes to produce the "Nutcracker Suite" by Tchaikovsky.

Turnabout was fair play at the Sadie Hawkins festivities

Once a year the females at PHS suddenly sprout freckles and pig-tails. They can be seen dragging their fellas to the gym for a doggone good time at the Sadie Hawkins Dance. Under the influence of Li'l Abner and Daisy Mae the men seem content to be led, pushed, and treated to an evening of fun on the gals' loot.

The Junior Class provided entertainment, hay, and a marriage booth. Those couples who risked the unholy matrimony celebrated with either a kiss or a wet sponge. As the couples left, it was noticed that the girls had a few less freckles and the boys were missing a vegetable or two from their corsages.

This was more fun than Dennis Johnson remembered.

Hush Day afforded a day of rest from female chatter

Judy Moulton presents the trophy to "Mr. Irresistible," Chuck Podell, as Bill Mooberry, Lewis Larry, Bill McCray, and Greg Williams look on.

Silence is golden; at least it is on Hush Day. This is the day when instead of trying to keep the girls quiet, the boys try to get them to talk. The reason for this reserve is the hush tag which the girls are given in the morning and try to keep all day. Any communication with boys means a forfeit of the tag to that boy.

The day was topped by the Jazz Concert which featured the crowning of "Mr. Irresistible." The boy this year with the most tags was Chuck Podell. He received a trophy for his success; the four runners-up, Lewis Larry, Bill McCray, Bill Mooberry, and Greg Williams, were awarded "prince-size" crowns. Any girl who managed to carry out the "Hush" was given a cerificate of merit.

Annette Cottam and Ed Grist welcome guests to the final spring fling.

The night of May 26 was a night of transfiguration. It was as though everything had been touched with fantasy's wand and was suddenly a shade less real.

The Girls' Gym, so often filled with loud chatter, whistles, and gym shoes, had suddenly become the Mardi Gras with all its profusion of color and balloons. Soft music from the Glenaires had replaced the whistles, and the chatter had dimmed to low whispers and happy laughter. Tables surrounded by groups of happy people had replaced the usual exercises. The no-eating law had been banished and sherbert-punch and cookies were enjoyed by all. The room usually filled with dripping bathing suits suddenly was a haven of stoles, furs, and sweaters.

As you entered the dance floor you found yourself not in the gym or a Mardi Gras party, you were in a land over the rainbow. The room was filled with floating pastel clouds of organza and chiffon. This tranfiguration wasn't planned but had happened as it does every prom night, everywhere, as the girls' formals melt into a pastel rainbow.

At the stroke of midnight the music stopped and decorations were pulled down to become memories of a worthwhile evening. The haven of stoles and sweaters, quiet all evening, was the center of activity as couples left the last dance of the year.

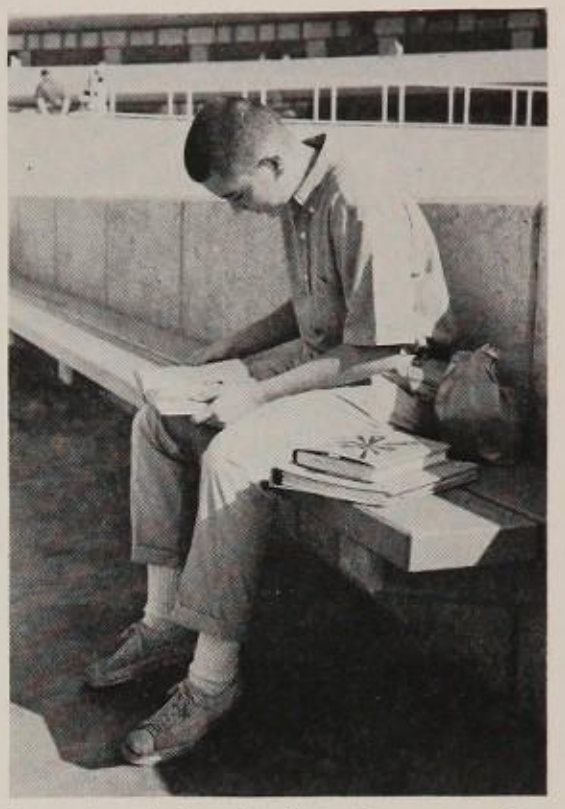
The zenith of the year's social events was the Spring Prom

Punch and cookies combined with dim light refreshed tired Bulldogs.

Exciting decorations, accompanied by dim light, provided couples with the gay atmosphere of a Mardi Gras party.

This Prince Charming didn't seem to mind at all when his Cinderella lost her glass slippers.

Those few minutes before the start of the day were wonderful opportunities to meet friends, discuss assignments and the day's activities, or to eat breakfast in the quad.

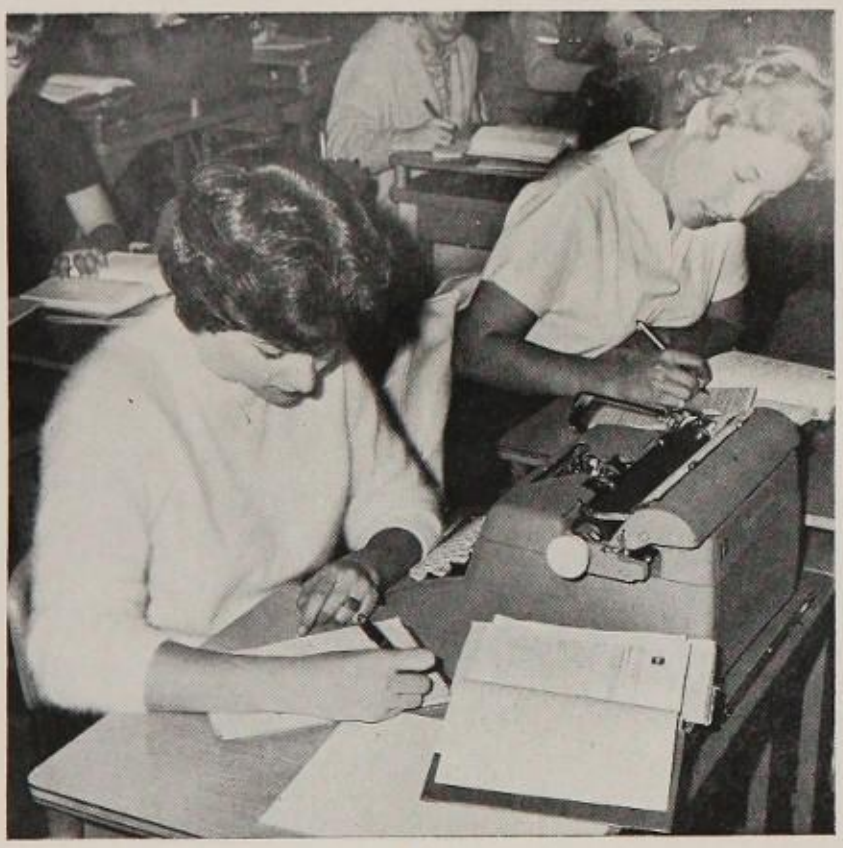


Some found they had to forego meeting friends and cram for that test they forgot about.

All participated in the daily

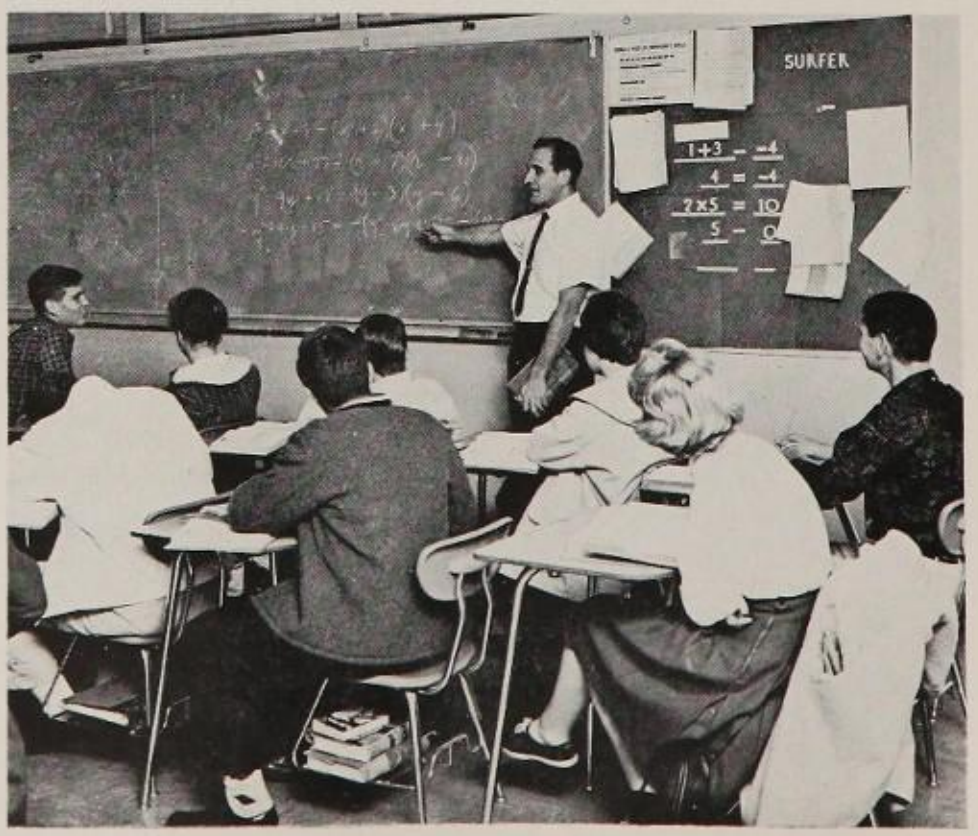
Those activities that were the most familiar to all Bulldogs were the everyday activities of routine, campus life. The informal meetings in the quad, standing in the long lunch lines, hurriedly doing last night's homework, worrying about the math test, and joining in class discussions on a controversial subject were all part of the ordinary daily activities.

These three pages are a record of the uneventful but memorable events of a campus day. They are not complete, but are left, rather, to be completed by the memories and imaginations of all who walked the halls and attended classes at Pasadena High School.



It's down to business now.

School spirit was often begun in basic classes through projects such as this.



Since the advent of the space age, math classes have become even more important.

Many found that lunch time was a good time to catch up on the news of campus events.

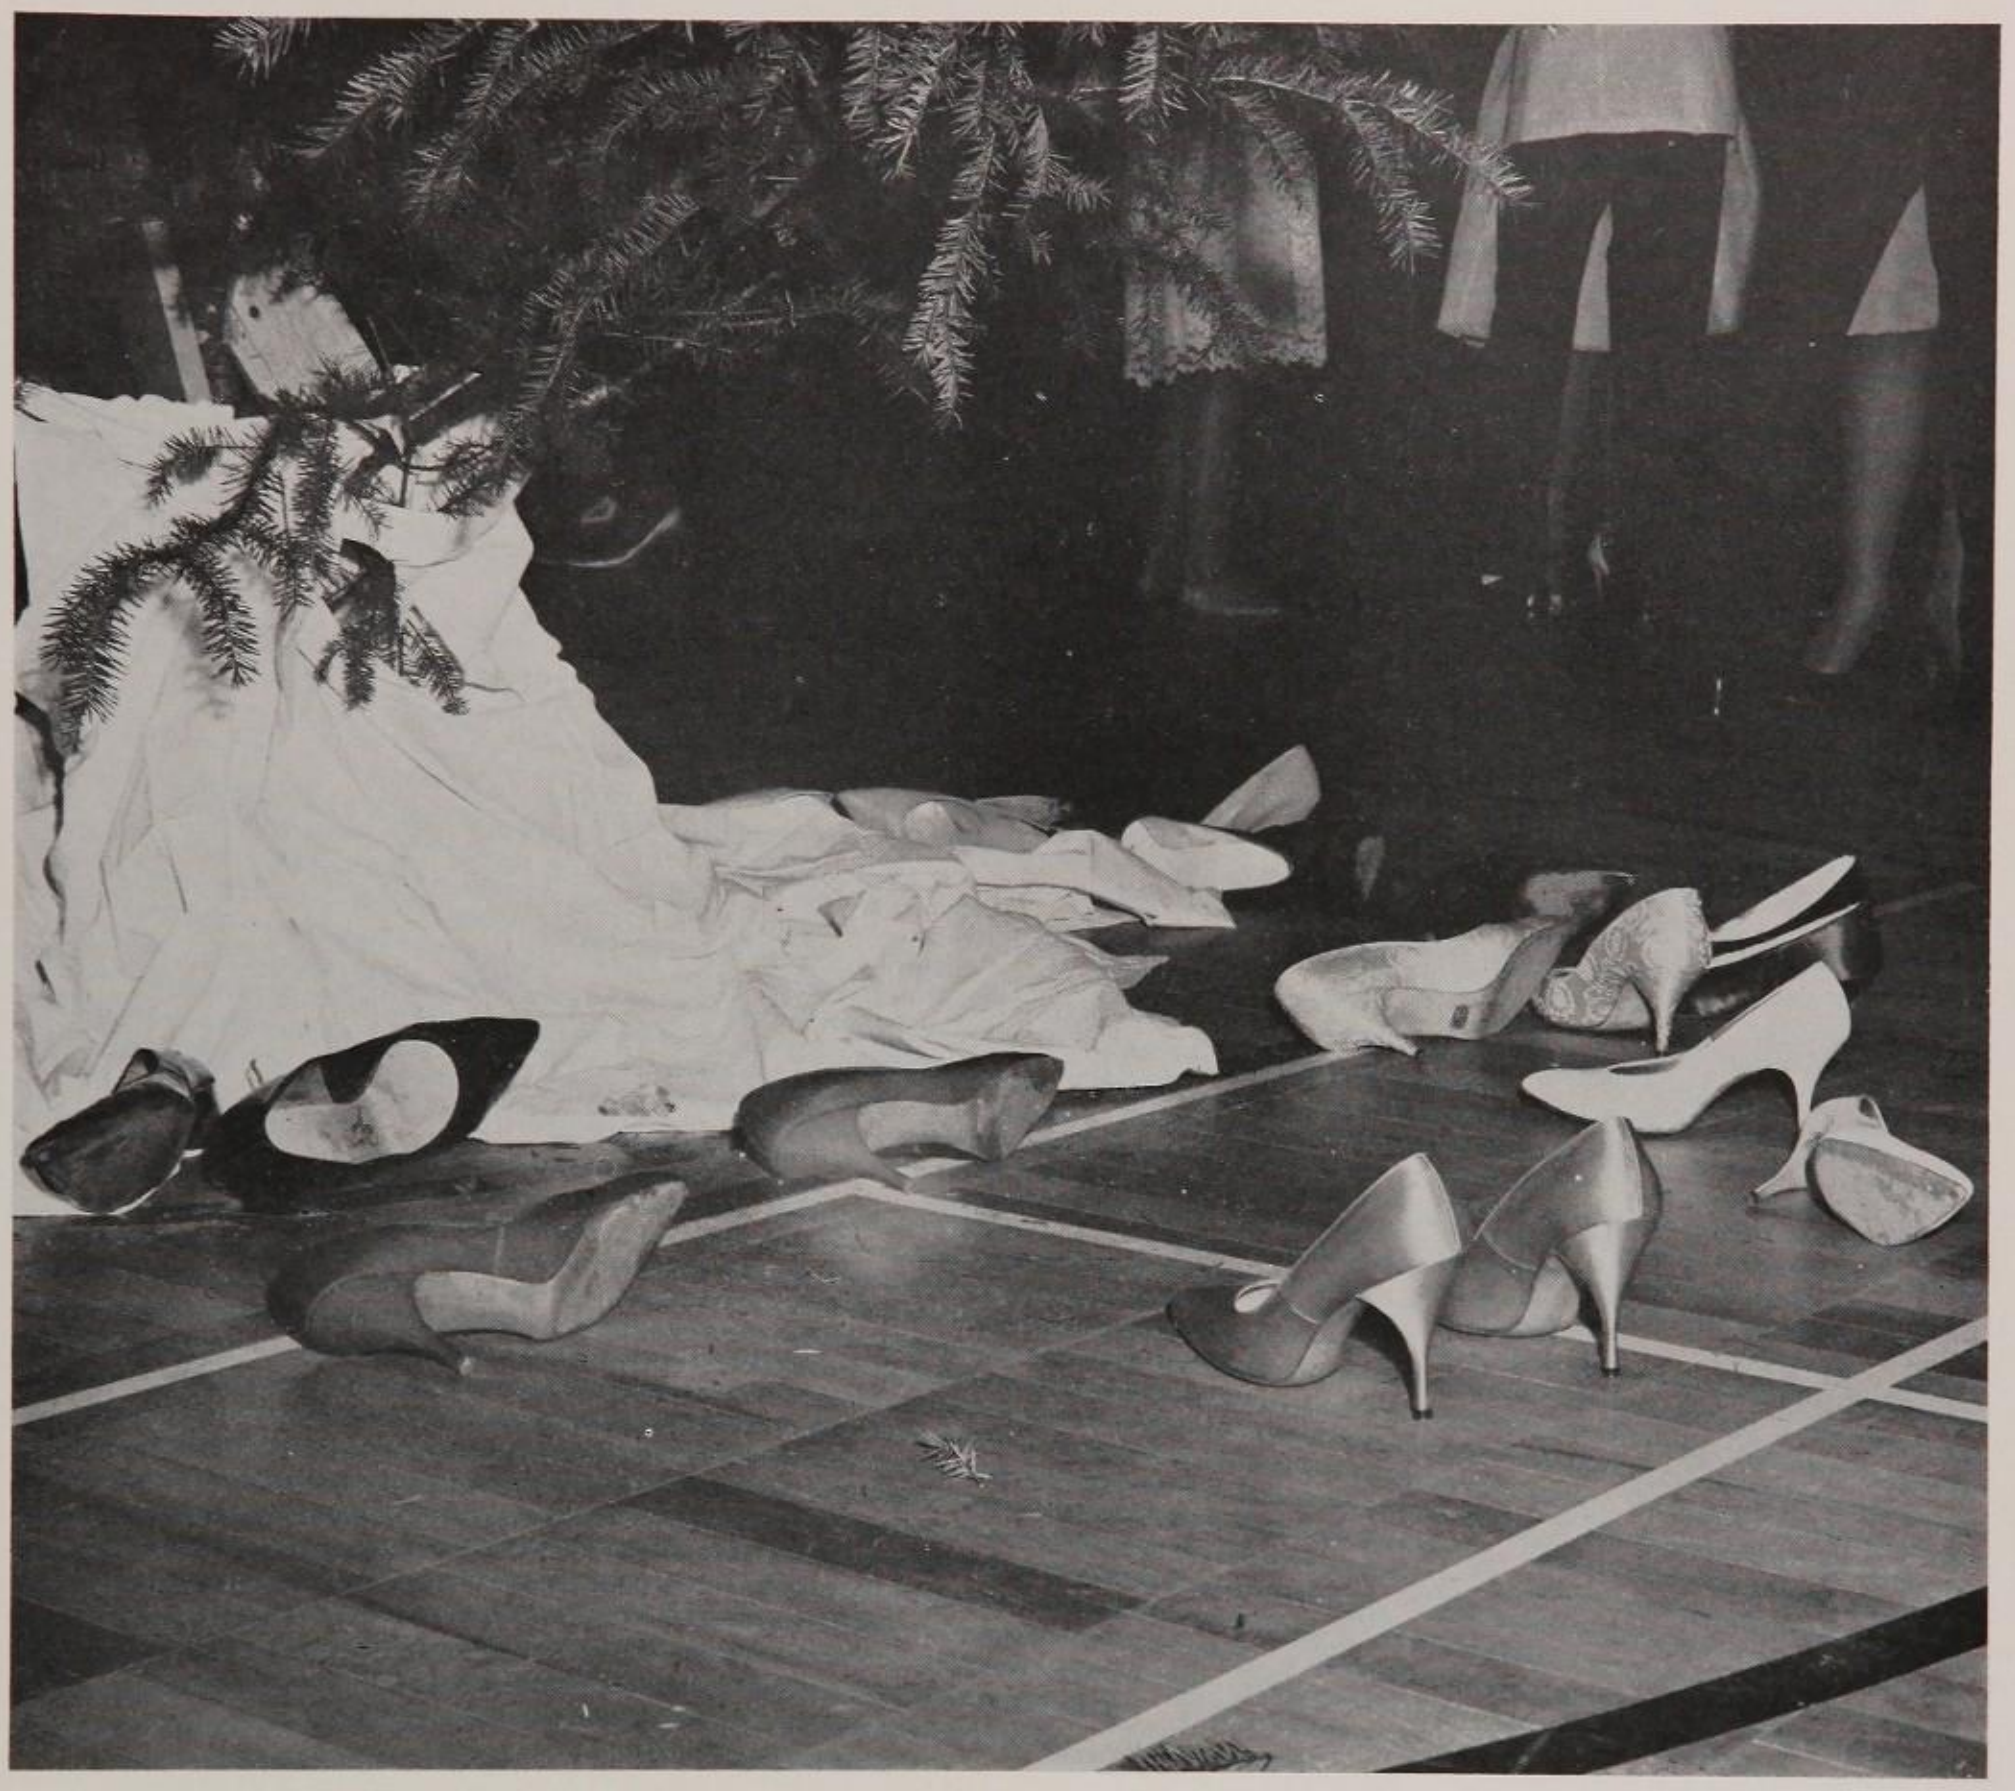
Team teaching facilitated depth and enrichment in several areas of study.

Counselors were always willing to discuss classes, problems, college, or that "impossible bear of a history teacher."

An after-school trip to the library insured a head start on homework and the convenience of obtaining the necessary reference material.

Interested students, undaunted by the 3:10 bell, remained to argue that last point with the teacher.

While a few still relied on the old fashioned system of two legs, most students departed by car or bus.



Half-erased assignments,

Chronicle staff delivering papers,

Election posters in the shrubbery,

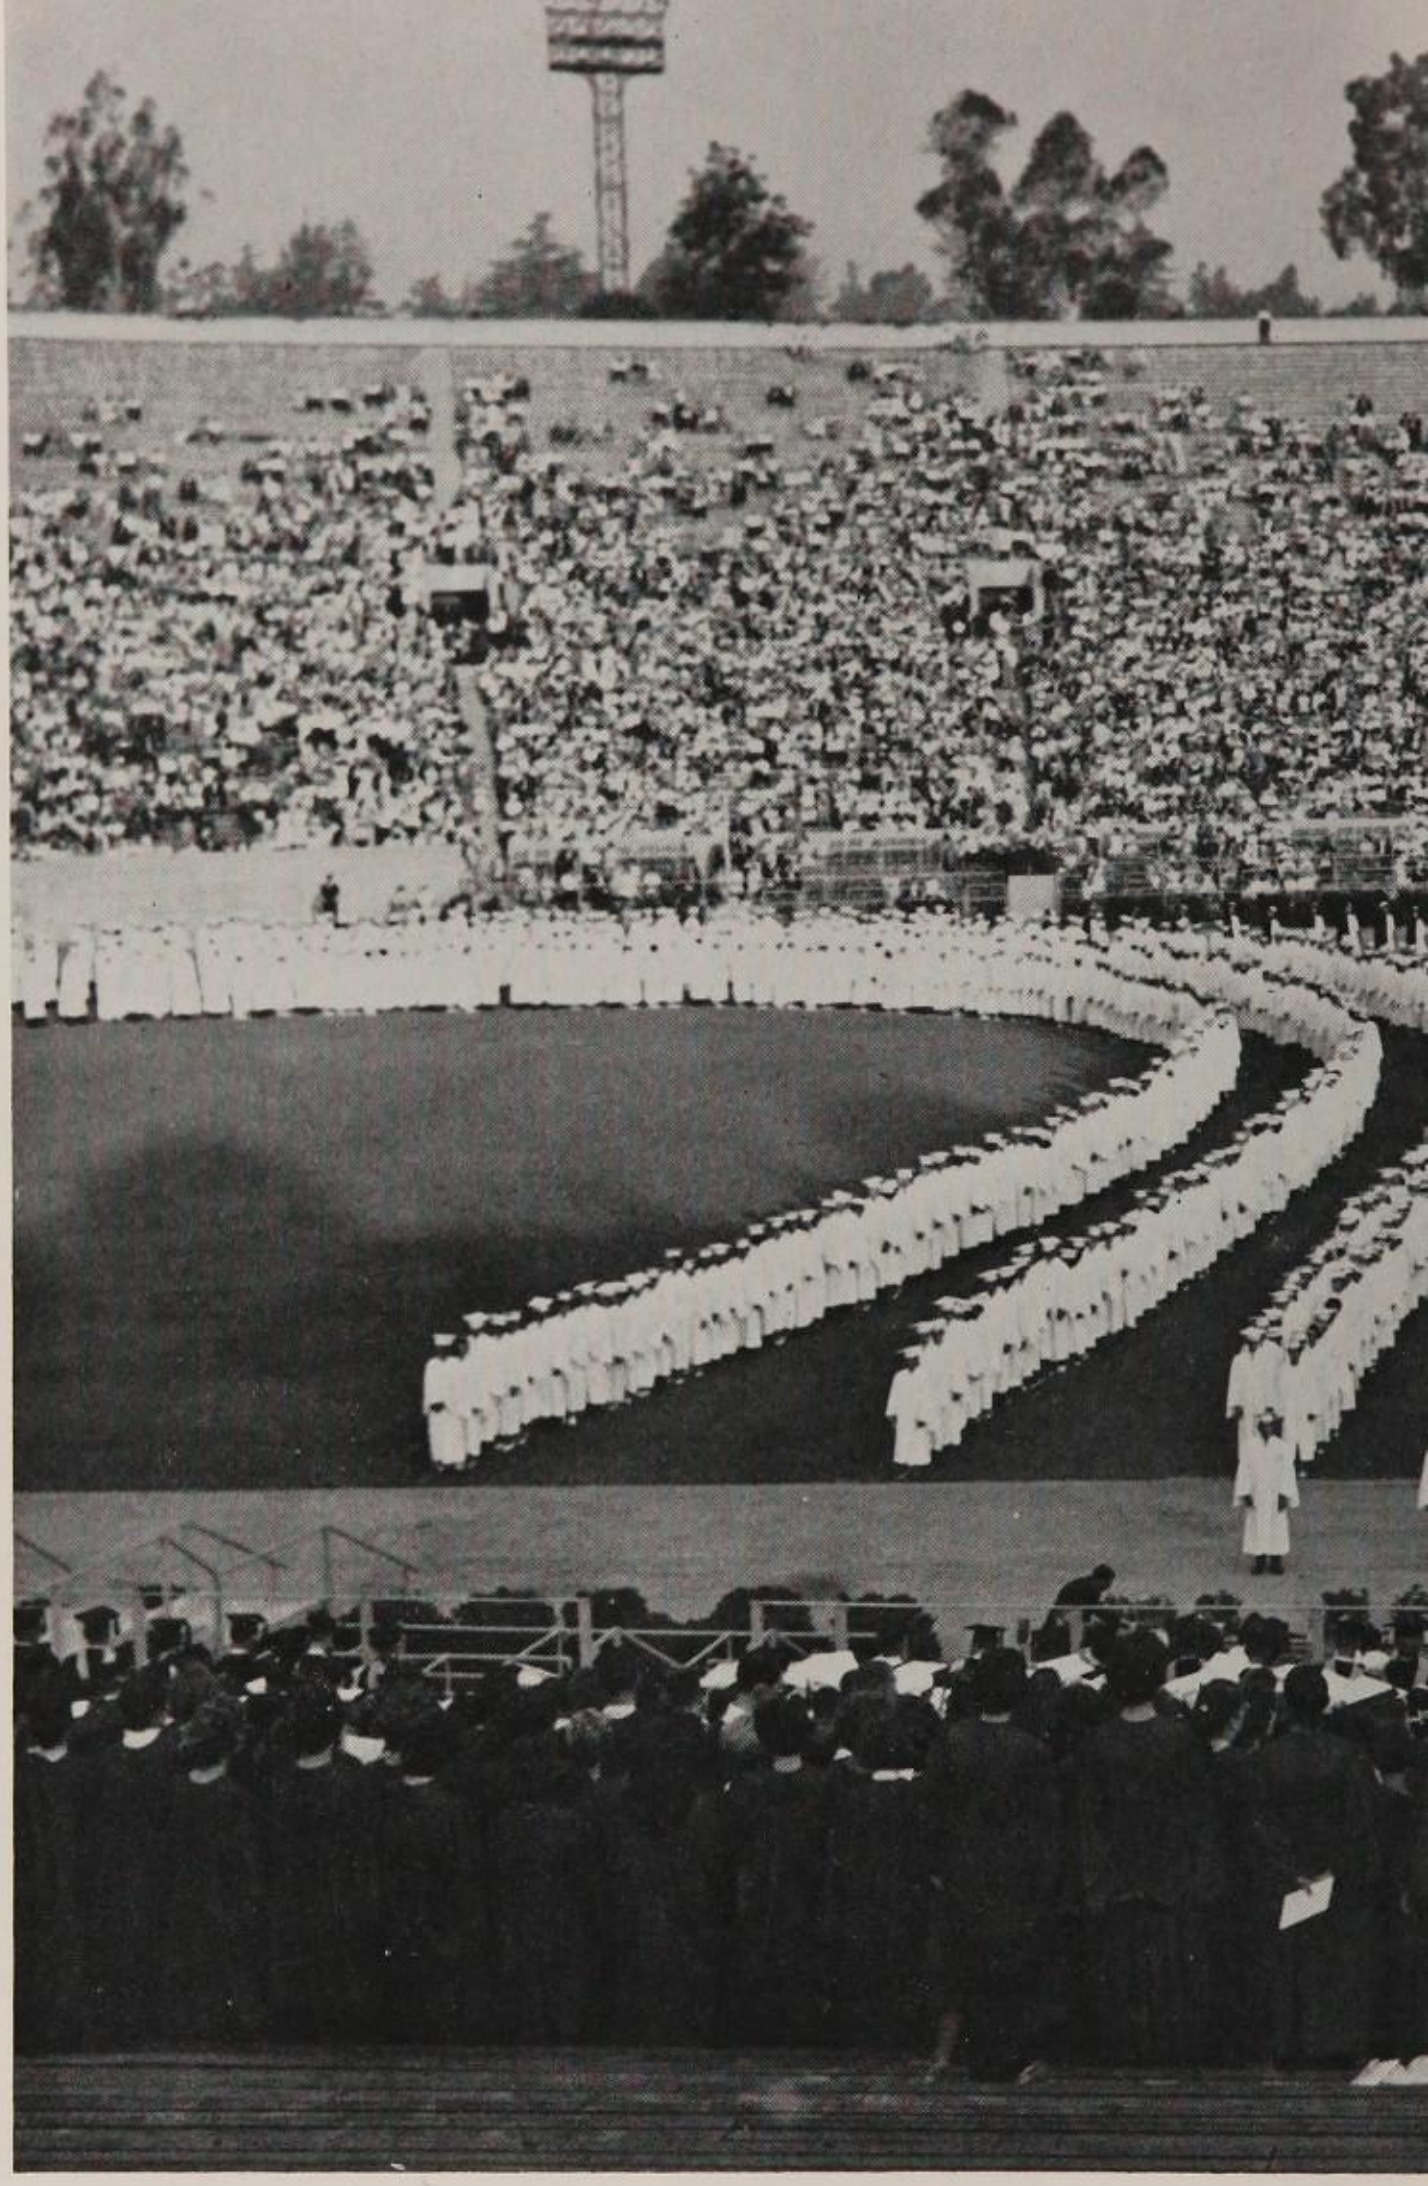
The Alma Mater in the dedication assembly,

Coach Hamilton's speech at the Burbank game,

Drill-teamers' sweaters and purses left in the stands,

Abandoned shoes at a dance . . .

Things like these we'll remember about the exciting, exhausting PHS activities.



SENIORS

Special, senior, end-of-the-year activities are a tradition at PHS. Each class looks forward to Baccalaureate, the Senior Picnic, graduation in the Rose Bowl, and prom night. To 1040 students, June, 1962, meant the end of two wonderful years on a new campus. It meant the end of a high school career, the end of one, important phase of life. But it meant more: for in the very name given to the graduation ceremony, commencement, it meant a new beginning. Seniors looked to the challenges of the future with anticipation, surer of themselves because of their experience at PHS.

Being Senior Class President has been a great honor for me. I am extremely proud to have been your representative, for I feel that I have shared in your strides toward the future.

As we leave our beautiful campus we carry with us memories of the years we spent here—the dust and heat, rain, elections, assemblies, portable classrooms. We remember the traditions we carried on, and the high standards that we set. We realize that we can never lose our pride in—or our appreciation for—the campus, faculty, and administration of PHS.

Our years at PHS are over and we look to the future with hope and anticipation. I sincerely hope that each of us will find success in the challenges of the years to come.

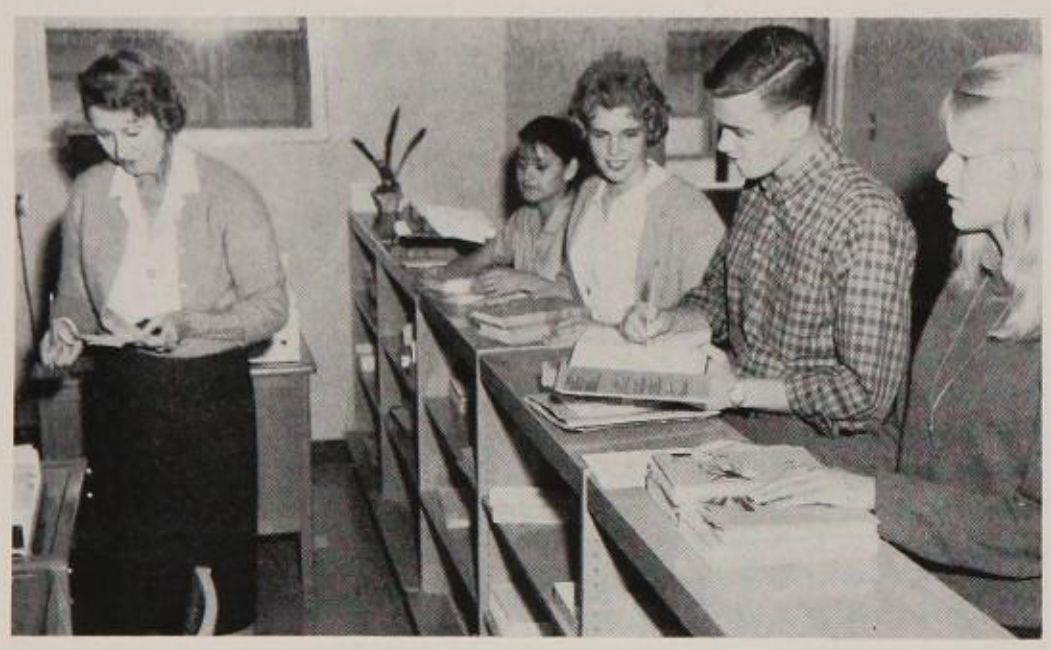
Senior Activities

The Senior Class made huge profits by appealing to Pasadena's sweet tooth.

A touch of humor and a lot of Man Tan helped make the Senior Class assembly a big success.

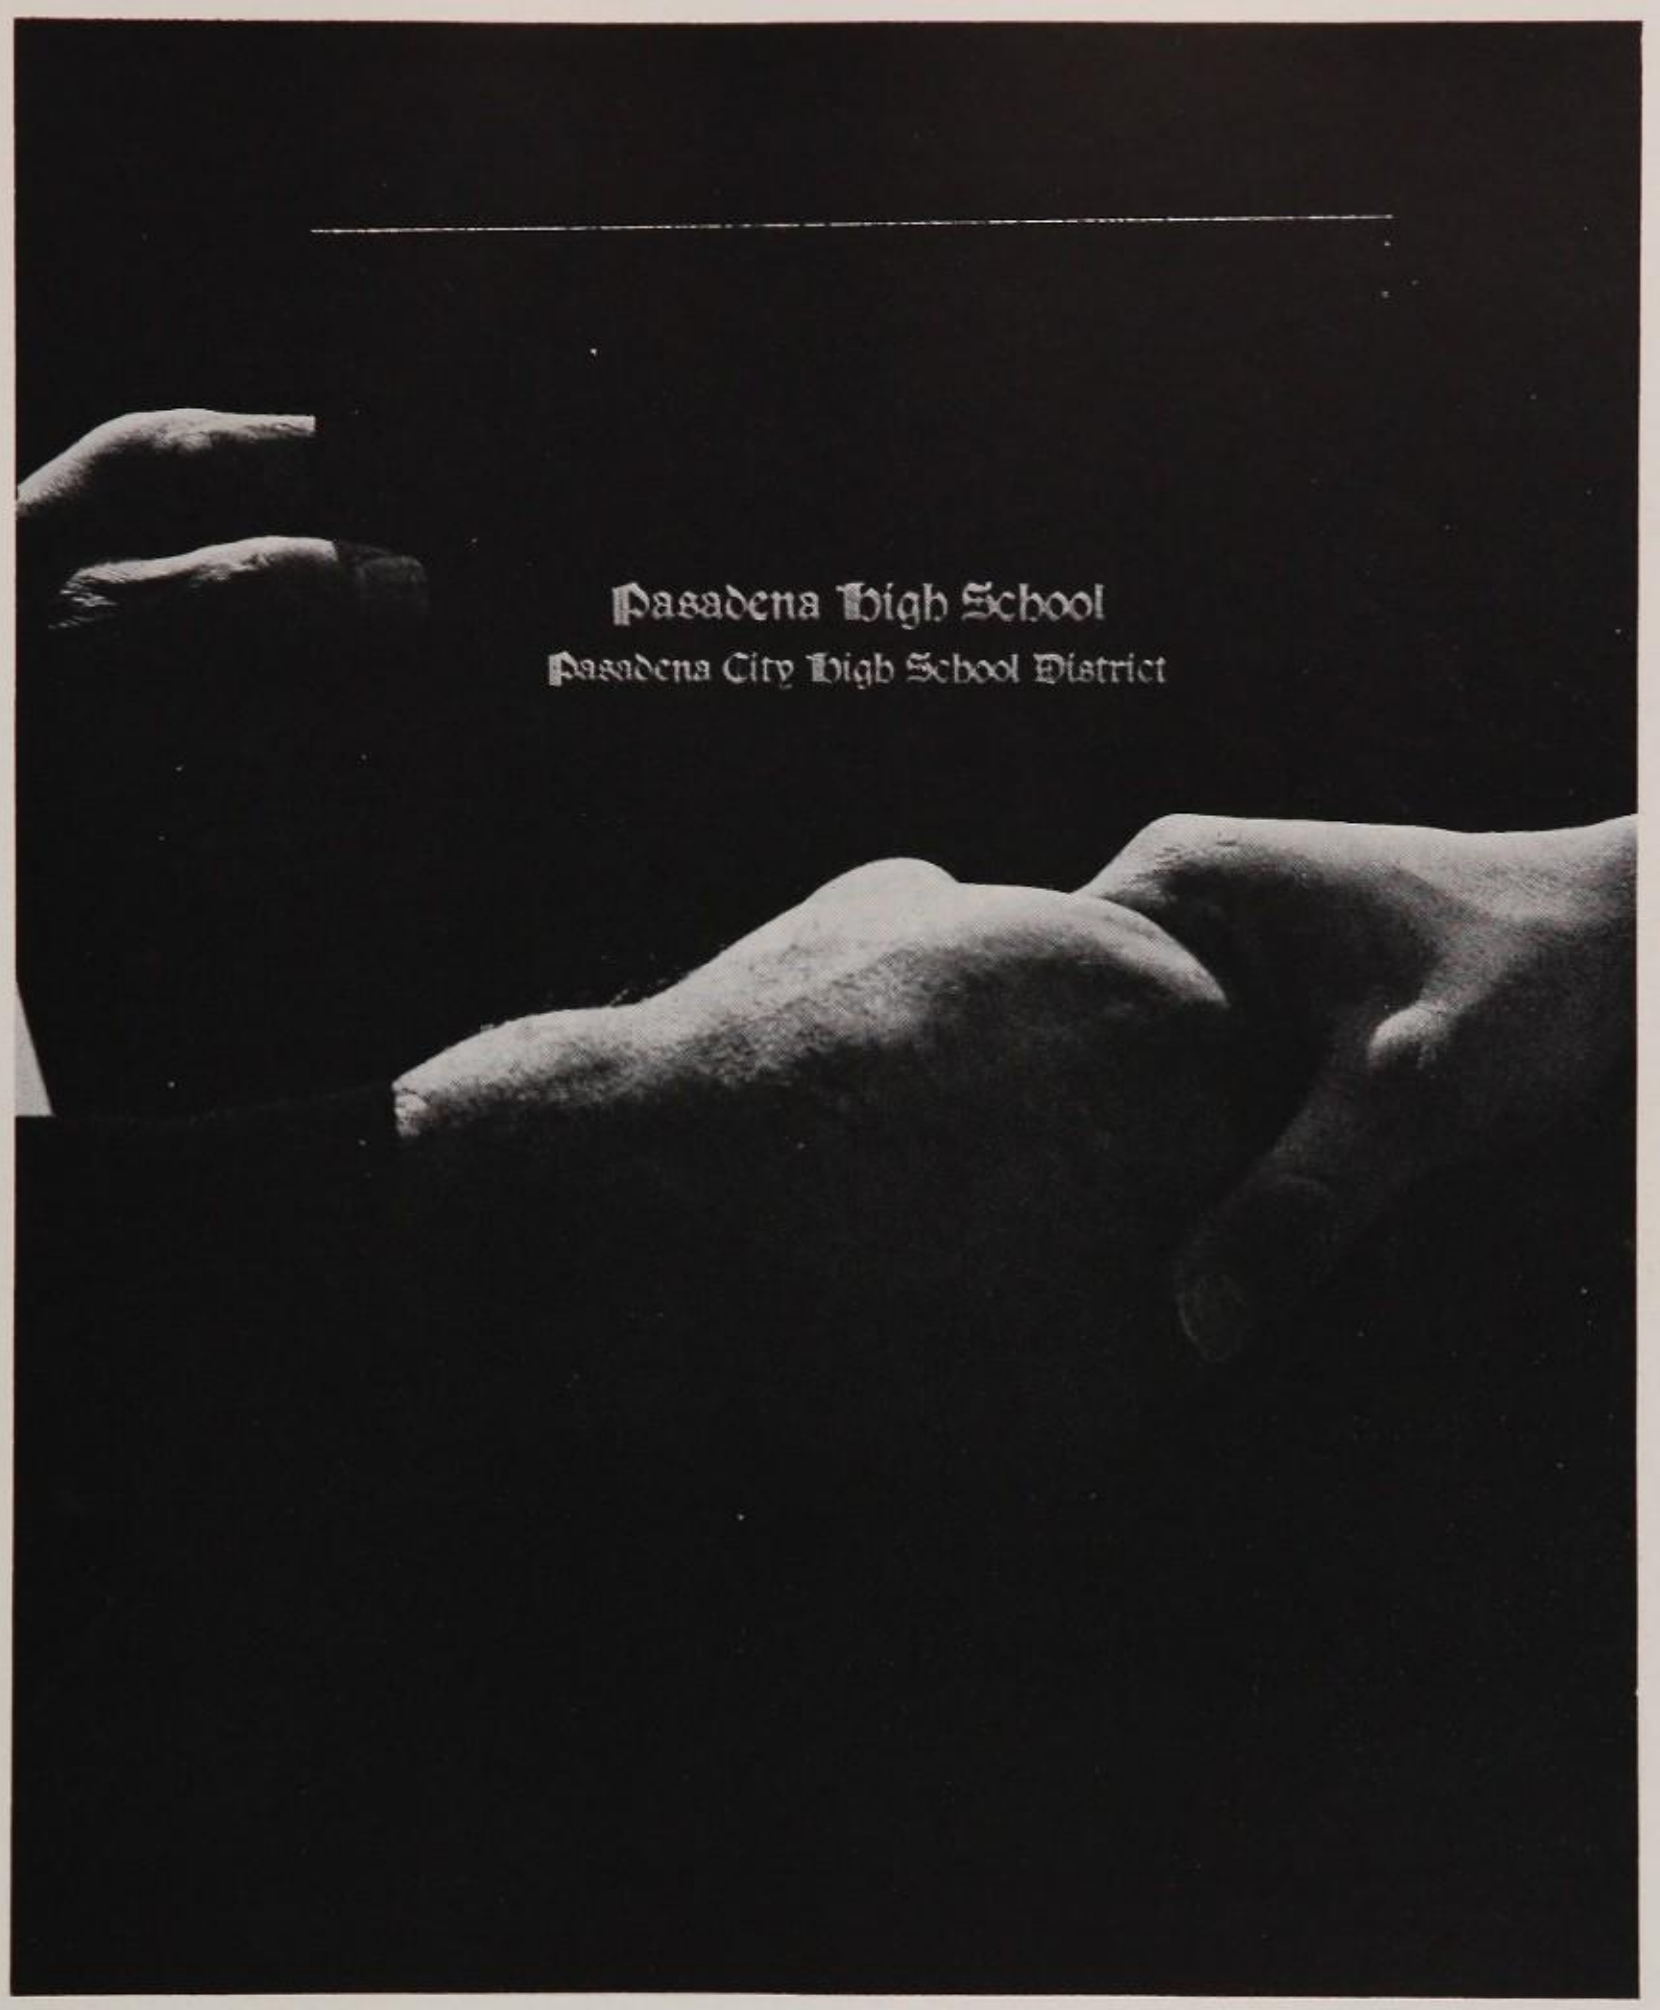
Susie Ballard sang of pigeons and poison.



Senior book check caused many headaches for seniors and Miss Williams, but a cleared record could be exchanged for a cap and gown.

Our newest additions to PHS classrooms became a senior privilege.

Sylvia Hays and Steve Cunningham illustrate the seniors' June 11 trademark.



Two hands and a diploma
mean many things,
They mean the end of twelve years
of work and fun,
They mean a new adult standing
in a world of complexity,
They mean sadness,
They mean happiness,
They mean a beginning.

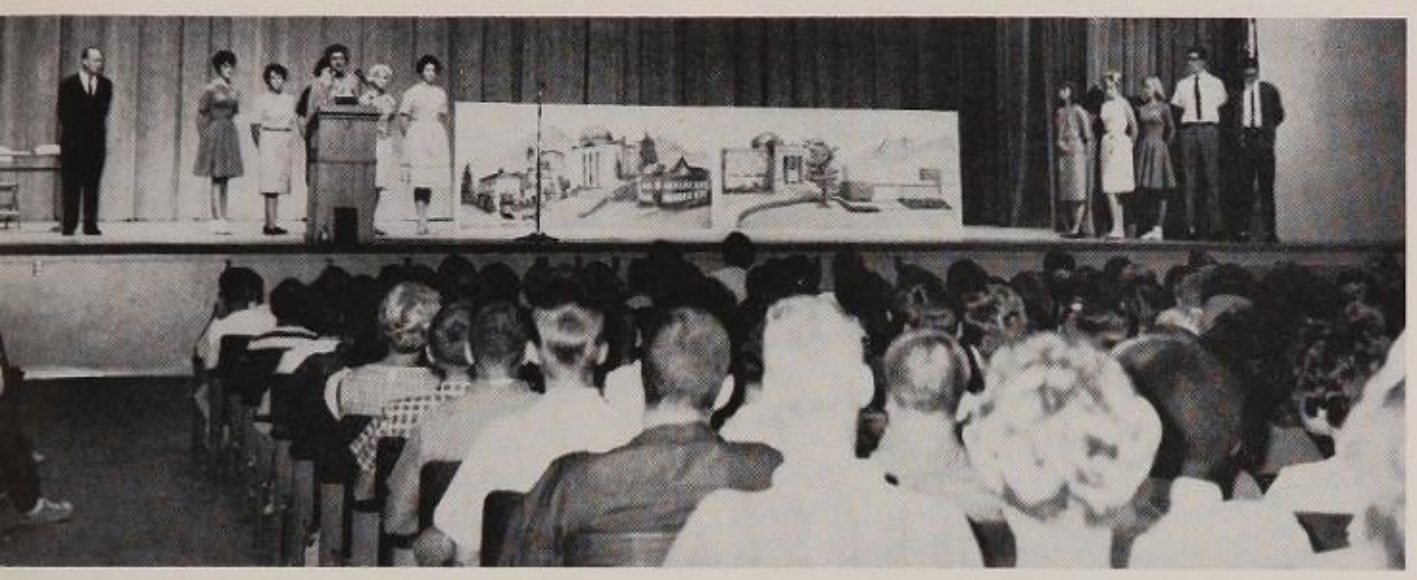
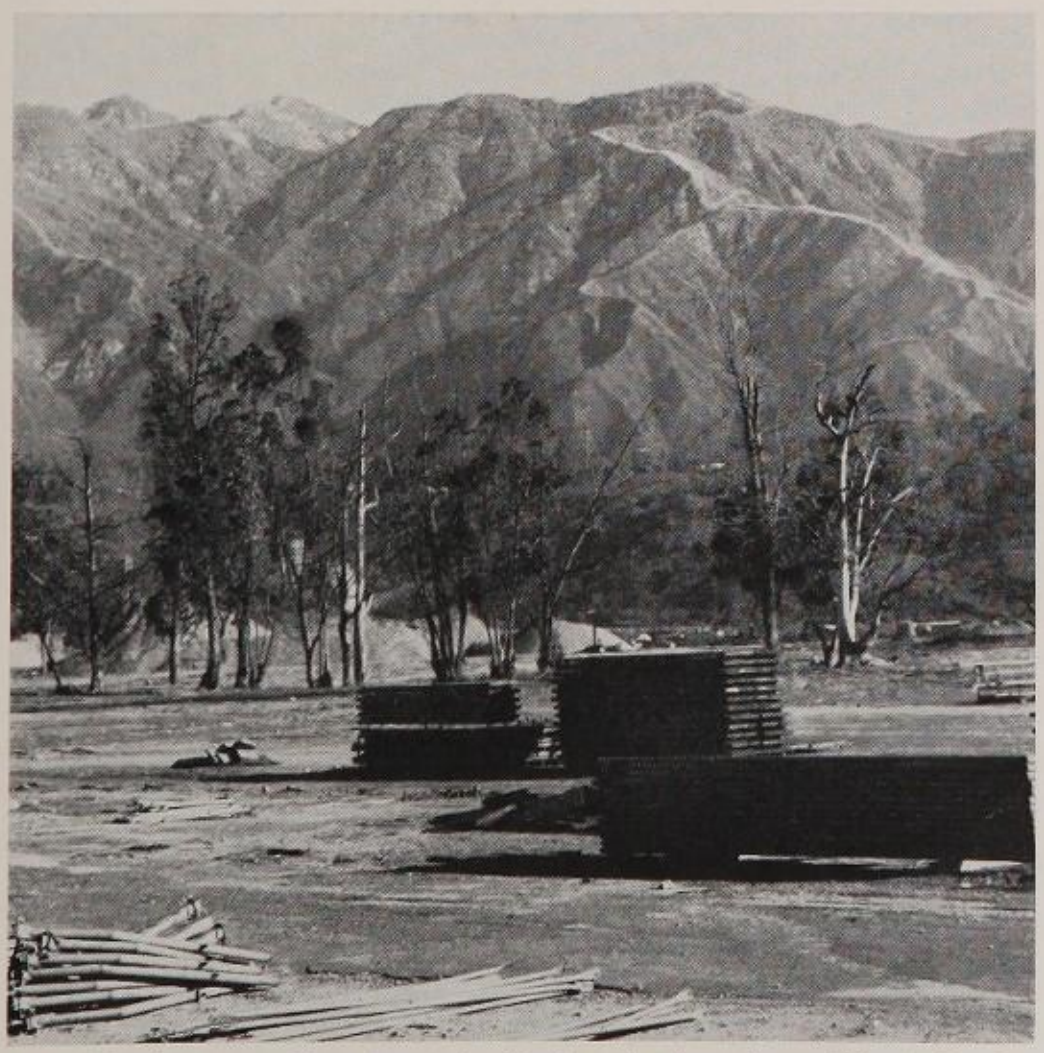
First semester assemblies brought a mass of Bulldogs through the parking lot to an outdoor amphitheater.



Many hours of inestimable effort were spent in bringing the old and new together in a mural for future PHSers.



As the bleachers came down they took with them the days of assemblies in the dust, sun, and rain.

The homemaking fashion show accented sewing skill and the latest fashions.

Because an annual is the result of the efforts of many people, the Campus staff would like to thank some of the many people whose time and assistance were invaluable in the production of the 1961-62 Campus

Thanks—

To the PCC Press and especially to Robert van der Veen, Bill Lindquist, and Ray Axxe for not only the printing, but also for the advice on type, layout ,and style.

To Mr. Ernest Neumann and Mr. Charles Barr, both past Campus advisers, for their suggestions, advice, and time.

To Mr. John Heard and his art production class for their help with layout, design, and retouching pictures.

To Mr. Harry Condax of the Parker-Condax Studios for the senior pictures.

To Mr. Jack Cannicott of the Los Angeles Engraving Company for our fine engravings.

To Dr. Wickes' office which helped us in all areas, but particularly with the Organizations section.

To the faculty for being so understanding about students being out on Campus business.

To Mr. Lee Moyne Mark and the photo production classes for allowing us to use their files and even their photographers.

To Bob Meyers who took many non-assigned candid shots and contributed them to the Campus.

To the ASB Cabinets for their financial understanding.

And to the PHS office staff who patiently answered questions, allowed us to use the program cards, and took time out for pictures.

I don't even know where to start. All the things that we've done together are some of the most important things in my life. I can't express the feeling that I have for you (fairy nice). Seriously, you are just bitchin. That's the only way to describe you. Your personality is the greatest. I know that you and I will always be the bestest of friends. Just think of all the fun we can have in L.A. and down at the beach. I still wish that you could go to Hawaii with me, but I'll be thinking about you while I'm laying in that hot sun getting a tough tan. What can I say about you and Gary except that it's just perfect. I'll write to you from Hawaii. I knew that we'll have fun together this summer. I'm so excited about SC I can't see straight. We'll both just be having a ball! You're just a crazy nut!! Bye and see you at Disneyland.

Love
Sharon

Hana,

Do you realize this is the very last time I'll write in your annual. After six years I'm used to it. To go back over all our millions & millions of memories would take forever. There are things we'll be laughing over for years and years.

I'll always remember our tenth-grade feud. Since then our friendship has grown stronger and stronger. High School wouldn't have been the same if we hadn't had gone through it all together. I remember the first day of school like it was yesterday. We wished then that it was today — June 11, 1962. Well, here it is. I can't believe it.

At least you're the one person at Pasadena High School that I know I'll never ever lose contact with. I am confident that nothing will ever mar our beautiful friendship. We have so much in common — except our taste in clothes (ha ha). I can't wait until Danny & I can visit you and Gary and Ranger in our little apartments or whatever. Someday it'll be possible. We've talked about it for so long!

We'll get together this summer. Distance is no object. And you'll probably come to Del Mar, as usual. At Long Beach State next year I'll wish you were my room mate instead of whoever I get.

I naturally and sincerely wish you the very very best life has to offer. You and Gary will make a darling married couple. So, in closing, be good, be happy, and have lots of kids. I love you!
